SORRY, WRONG NUMBER

The telephone number given in the last edition for Buxton Fire Station was incorrect. To call and set up a free smoke alarm consultation the correct number is **01298 608720**. Sincere apologies as we were given the wrong number to print.

HOPE VALLEY RAILWAY USERS' GROUP

Our AGM is at Hathersage Memorial Hall on Wednesday 12th June at 7.30pm. It is 125 years since the first passenger train stopped in the Hope Valley (1894) so there will be an exhibition about the history of the line. The 'Friends of Station' groups for the five Hope Valley and Dore & Totley stations will report on their plans to celebrate the anniversary. There will also be two guest speakers:

- ◆ 'Forgive us our Trespassers', about the Kinder Trespass, by Roly Smith, writer and editor
- ◆ 'People's Landscapes: the places that have shaped the nation' by Katherine Clarke, Senior Visitor Experience Officer, National Trust.

We campaign to improve local rail services and stations. If you need a good local train service come to this meeting and join the group. More Info from Kath (651623) or Peter (650763).

WAR MEMORIAL HALL

Community Action Project

You are invited to a very special event at the Memorial Hall, which is being held on 28th and 29th September. The hall doors are being opened to all groups in our village so they can showcase their activities, so this is a unique opportunity for you to find out what's happening in your village and to learn more about what there is to do. Attendance is totally FREE, so please put the date in your diaries now and plan to come along. And if there is a group in the village which has not been contacted and would like to attend, you would be very welcome. Please call 620336 to register.

CARING FOR YOUR WOOD BURNER

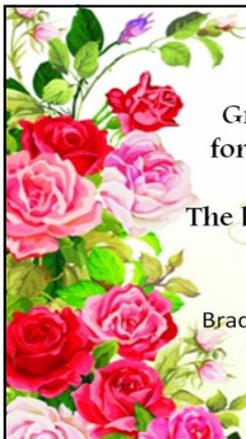

It's amazing what you learn by having your chimney swept. Like many other residents, we have a wood burning stove and have just had the chimney swept after several years of operation. The highly professional engineer did far more than I expected, dismantling and cleaning the whole fire in addition to sweeping the chimney. Did you know there is a baffle plate at the top of the fire which you are supposed to clean periodically (about every 6 months)? Did you know that it is good to keep your fire door open during summer when the fire is not in use? This allows warm air to circulate up the chimney and prevents condensation dropping down the chimney and corroding the baffle plate. It is best to have the fire serviced at least every year or so, depending on frequency of use so it can be kept running at peak efficiency and reduce its effect on global climate. For more information on this subject or for a home visit call Lewis on 0800 7797030 or 07960 191197. *Editor*

CO-OP PIONEER

The Co-Op has appointed Carolyn Tattersall as the "Pioneer for Bradwell and the Hope Valley", which includes the new shop at Baslow. Carolyn lives in Bamford and works in the shop in Bradwell. A Pioneer works in support of the Co-Op community fund project for which local charities and organisations can apply via the Co op website. Carolyn is available to help at any fundraising events as an extra pair of hands, organising free publicity or helping with a donation of refreshments. Local organisations can contact her if they think she could help them. If she can't help personally she might be able to put you in contact with someone who can. Contact via email at carolyn.tattersall@coopmembers.co.uk or find her on Facebook and Twitter. Carolyn looks forward to hearing from you to discuss your ideas and area where she could help.

p.m. on the first Tuesday of most **PARISH COUNCIL NEWS**
Annual Parish Meeting:

The meeting, in the Methodist Hall on 30th April, was attended by residents, local organisations /businesses and representatives of principal authorities. The meeting reviewed work carried out by Council during the year, and was followed by reports from our district councillor, the Fire Service and Peak District National Park Authority. This was followed by presentations from organisations who received grants through the year, and issues of local interest were discussed.

Annual Meeting of the Parish Council:

The last council meeting was the council's "AGM". Cllr Downing was re-elected as Chair & Cllr Higgs was re-elected as vice-Chair. Council then appointed Chairs to all committees. As some committees have been amalgamated the terms of reference need to be amended. These changes will be reviewed in the June meeting and adopted if passed by Council. Council policies were reviewed and adopted.

2019 Parish Council Elections:

As there were seven nominations for the ten parish council vacancies, all nominees were duly elected. At the last Parish Council meeting an applicant for the council vacancy was interviewed and co-opted onto council. This filled one of the vacancies on the council. The new councillor is Peter Wallis, who is also actively involved in Bradda Dads. We welcome Peter as our new Councillor and look forward to him making a positive contribution to our activities. Contact details for your Parish Councillors and your representatives on other bodies, e.g. PDNPA and DCC, (together with many other useful contact phone numbers) are available on the village website www.bradda.org or by application to the Parish Clerk.

There are still two vacancies on the Parish Council, so if you are interested in joining Council please contact the Council Chair Cllr Downing at cldrdowning@bradda.org or the Parish Clerk at parishclerk@bradda.org. This is a great opportunity to join a very active council and we look forward to welcoming new potential members.

Carnival 2019:

We are gradually getting closer to carnival time on Saturday 3rd of August and the organising is going very well. We are still looking for help in a number of different areas e.g. stall organising, marquee erection, road closures, judges for different events and general help on the day. Please let us know if you can help in any way or can join us at the next planning meeting on 18th June 2019 at 7.30pm in the War Memorial Hall.

£137 Grant Fund:

Council awarded a grant of £260 to the Friends of Hope station to purchase planters to improve the look of the station.

Car parking:

There is a space available for rent at Softwater Lane Car Park. The cost is £25 pcm or £300 annual. If you are interested in renting this space, please contact the parish clerk

Public Participation:

Residents continue to attend council meetings to raise matters of concern directly with Council. We welcome members of the public at both the main council and all committee meetings. Council meetings are generally held at 7:30 onths in the Methodist Lounge on Towngate. See the parish notice boards (on the side of the Memorial Hall and in the Peace Gardens bus shelter) for meeting announcements and agendas. Contacts: Parish Clerk (623485) or parishclerk@bradda.org Council Chair (623941) or paul@bradda.org

HOPE VALLEY COLLEGE NEWS

There have been some changes at HVC. **A new Principal** has been appointed after a rigorous selection process. She is **Mrs Gaynor Jones** and she will be joining the school in September, following the retirement of the Acting Principal, Mr Paul Dearden. Mrs Jones is currently the Director of the Sheffield Teaching School Alliance (STSA), which works with over 100 schools across Sheffield and the Peak District to provide training and support to teachers and schools. The Regional Schools Commissioner, John Edwards, has confirmed that the school will join **Chorus Education Trust**, a local multi-academy trust serving South Yorkshire and North Derbyshire. Chorus was founded by Silverdale School, an Ofsted-rated 'Outstanding' school in the south-west of Sheffield, where some Hope Valley students often go on to join their sixth form. Steve Dawson, Chair of Hope Valley College's Board of Governors said, "The Board of Governors has been investigating potential Trusts for some time, to ensure the school can benefit from being part of a larger organisation, but without losing its unique identity. We chose Chorus because it shares our school's values, recognises our place at the heart of the local community and is committed to maintaining our school's unique offer." Chorus will be holding an evening for parents and carers in the local community in the coming months, so everyone can meet their team and Mrs Jones. We understand that further details will be publicised shortly.

A MUSICAL EVENING

On Friday June 14th at 7.30 pm St Barnabas Church will celebrate an evening of music to suit all tastes, with "Bon Accord" choir singing madrigals to modern, "Crows Feet" - a lively folk band, and an ensemble from Sheffield playing French Café songs to the accordion, keyboard & bass. Entry will be free, but we will be serving wine and soft drinks refreshments for which a donation will be welcome. Any profits will go to charity. Do come along and enjoy yourselves!

ST BARNABAS SUMMER FAYRE

Our Summer Fayre is on Saturday 8th June from 2 to 4pm. Come along and enjoy a summer afternoon of delicious cakes, afternoon tea, face painting, crafts and sample a variety of stall which will be in front of the church.

WORTLEY COURT GARDEN

Congratulations to Rona!

Rona McVeigh has won an award for her continued hard work in making the communal gardens in Wortley Court so attractive. After many years of hard toil, Rona has made them a real eye catcher and something to be enjoyed by all. Rona was presented with the award by David Knowles from Dales Housing /Waterloo Housing on Monday 20th May

A VISIT TO DURHAM

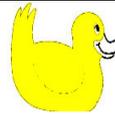

The Catholic churches in the Hope Valley are planning an "Away Day " to Durham on Wednesday 4th September and invite anyone who is interested to join them. We will be travelling by coach, leaving the Valley at 8 am. The main focus will be Durham Cathedral for a full guided tour but anyone who would like to travel on the coach and do their own thing in the city will be very welcome. The cost for coach will be no more than £20 and the Cathedral tour, including the Hidden Treasures, will be £10. Full details available later but if you would like to book a place please contact Father Martin Clayton (650352) or me (621249) as soon as possible. Margaret Peel

2019 STREET FAIR

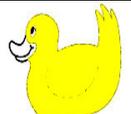

Due to FOBS having so few volunteers at the moment we are unable to run Wakes Week street fair this year. FOBS would like to offer the opportunity to another village group to organise it this year, as its loss would be felt by the village. It can be a decent fundraiser, and any group that takes it on for the year would keep all the funds raised from the 2019 event. FOBS can lend you the majority of the kit needed, and we would be very happy to meet up with anyone interested to talk you through what we usually do. It's not a difficult event to organise, but it does require some advance planning and lots of folk to run stalls on the night. Contact Colette Holden (07835 800477 colette@coocom.co.uk) for more.

HILL BILLY 2019

The 2019 Bradwell Hill Billy is on Sunday 23rd June. Starting at Bradwell Sports Pavilion this event is billed as "probably the toughest little sportive in the country" over 78km with 2,334 meters of ascent and seven climbs, three at over 20%, and all in the stunning scenery of the Peak District National Park. For more details or to sign up, visit our FB page at BraddaHillBilly or www.bradwellhillbilly.co.uk. All proceeds to Bradwell Pre-School.

BRADDA DADS

Following last year's successful event we will be holding our Fun Day on Town Bottom playing field on **Saturday June 15th**. Please check the posters around the village nearer the day for a possible alternative date (22nd June) if the weather forecast is bad. There will be a free barbecue and a range of refreshments.

Enjoy all kind of games: inflatable fun and bouncy things, Tug of War, Beat the Goalie, Bucking Bronco and a few new games. There will be activities for all ages. ALL WELCOME.

PERSONAL ANNOUNCEMENTS

WILLIAM ROY BAKER

Roy was born at Brewood, Penkridge Staffordshire on 13th February 1931. He was the third child of Dick and Victoria Baker, who moved to Brough after Dick obtained work on the construction of Ladybower Reservoir. Roy, with his 5 siblings, David, Audrey, Pat, Peter and Robin, lived at Brough Cottage. On leaving Bradwell School at the age of 14 he began work on Woodall's dairy farm in Brough, but better money and shorter hours beckoned at Earle's Cement, where he became the ganger in charge of kiln repairs. In 1960, whilst on holiday in the Isle of Man, he met 19 year old Barbara, from the Wirral and they married the following year. They settled in Pindale, where they brought up their 3 sons. Roy cultivated vegetables and raised hens on land surrounding the cottage. He won many prizes at local horticultural shows and was well known for his successes at Hope Show. He also grew produce for various markets. After leaving Earle's Cement, Roy obtained a job he adored, with the Ministry of Agriculture, as pest control officer for Derwent Valley Water Board, looking after an area of 13,500 acres. His last job before retirement, was at Sickleholme Golf Club, where he spent 17 happy years as head Greenkeeper. In retirement he was always in demand for various gardening jobs and he had a regular slot at Hathersage WI market, where he sold his home grown produce. He was a talented darts player and played for various teams in the district. In 2002 Roy developed throat cancer. Although the treat-

ment was extreme he managed to drive himself to Weston Park Hospital each day for 6 weeks for radiotherapy. His wife, Barbara died in 2016 after 5 years of ill-health, during which time Roy did his best to look after her. Roy died in the Northern General Hospital on 18th April, following the return of the pneumonia from which he had suffered the previous November. The funeral was on 7th May 2019, followed by burial in the churchyard. He leaves 3 sons, Ken, Chris and Paul, grandchildren Alfie, Helen and Richard and brother, Robin.

THANK YOU

I would like to say a huge 'Thank You' to all who remembered me on my 90th birthday. Thank you to my family, friends and neighbours for the beautiful flowers, gifts and the many cards I received and which were greatly appreciated. Thank you all for helping me to have a wonderful day. Joan Judge.

AFFORDABLE HOMES - A REMINDER

The Community Land Trust wishes to remind everyone that the first four new houses for social rent on the "Bradwell Springs" development are expected to be ready by March next year. If you are a local person in need of a 2 bedroom property then you can bid for one of these houses via the Derbyshire Dales "Home Options" scheme. You can get all information at <https://www.home-options.org/choice/default.aspx> The information on the website tells you all you need to know about whether you qualify to apply for one of these houses, and leads you through the process of completing the necessary information. By the end of the project there will be twelve affordable units on the site, dispersed between 43 open market houses of various sizes. Owned by Bradwell CLT, the intention is to provide long term, affordable, stable living accommodation for local families into the future.
