BRADWELL INFANT SCHOOL

Children at Bradwell Infant School were delighted to receive their Healthy Schools Award last Friday in recognition of all the work they do related to keeping healthy. The children enjoy active play sessions every break-time after they have eaten their fresh fruit snack as part of their 5-a-day. They make frequent use of kitchen facilities to make healthy snacks and meals, including Bread with Vegetable soup, Greek salad, Fruit salad, Vegetable crumble and Chinese Stir-fry. The community police officer undertakes annual road-safety training with all the children, which they put into practice when walking through the village. All the children recently helped to plant varieties of apple trees in Bradwell community orchard. They also contributed ideas for the new village playground during a recent meeting of the school forum. In the last two weeks the children have been finding out about Fairtrade products. They now understand that everyone in the production chain gets a fair deal when we choose to buy Fairtrade items as part of our shopping. The local Co-operative store and Waitrose supported the project,

enabling children to taste Fairtrade fruit which they used to make fruity faces and fruit smoothies. Emily Green and Matthew Riley accepting the award on behalf of Bradwell Infant School during Assembly.

PARISH COUNCIL NOTES**Annual Parish Meeting Wednesday April 20th – Methodist Hall 7.30pm.**

This is your annual opportunity to voice your opinions on what the PC has been doing and what you think it should be doing. There are no standing orders, so you can speak at any time during the meeting. If you wish to ask a detailed question it is best if you can let the parish clerk know beforehand so that he can have all the necessary documents available. This is the final year of the current council so there will be an element of looking back over the past four years. The meeting also comes at the end of a ten year savings programme to enable the refurbishment of Town Bottom Playing Field. One of the first considerations for the new council will be to consider how it should prepare for the next major refurbishment. Your views on this would be welcomed. We hope that lots of you will come along, with plenty of ideas and suggestions, to give us all a lively and productive evening.

Multi Use Games Area

At a special meeting on March 8th, attended by five members of the Sports Club Committee (BSCC) and all nine parish councillors, an agreement was engineered which should enable this project to advance to completion. An agreement has been signed by both parties making the PC the 'accountable body' to Community Spaces for the project. The parish clerk will collect all the funds committed to the project and invest them in a dedicated bank account. He will be responsible for paying the project contractors and reclaiming the VAT – which is a crucial element of the project's funding. The PC recognises that there is an outside possibility that the VAT may not be refunded by HM Revenue and it was agreed that the PC would, if absolutely necessary, make up the shortfall from its reserves. The PC will become the owner of the equipment for a limited period but will not own the land. BSCC will manage the facility and will be totally responsible for maintenance and repairs. Apart from the possible VAT issue the PC will have no other financial liabilities resulting from this agreement.

Town Bottom Playing Field

After the equipment has been installed there will be some reinstatement which cannot be quantified beforehand. To cover this we have increased the overall budget by another £3000, to £65000. Once again we ask parents and carers to advise children to keep off the equipment and play area until the field is officially opened. It is essential that the new surface has time to bed in before use. The installers have experienced some delay with delivery of the equipment but we still hope to have it available for use for the Easter holiday.

Lafarge

At the Lafarge/PC liaison meeting held at the works on March 8th, the main discussion subject was the proposed Lafarge/Tarmac merger. Works manager Ashley Bryan said that the discussions between the two companies were continuing and any deal would be subject to approval by the Monopolies

Commission. Some concern was expressed regarding the proposed expansion of the Tarmac cement plant at Tunstead and the possibility that it could replace Hope's production at some point in the future. Ashley also reported that operation of the rail line from the works to Earle's sidings was to be put out to tender. It was expected that a mainline freight operator would take over all responsibility for the line and its trains.

BRADWELL PRE SCHOOL

The Pre-School held a very successful fund raising event on Tuesday 8th March at their Pancake Bonanza! Adults and children enjoyed pancake racing, refreshments, a wonderful array of cakes and a very popular tombola stall raising a fantastic £275.00 which will be spent on much needed equipment. Thanks go to Sharron and Debbie from the Bread Shop who kindly judged the Best Painted Egg and Decorated Spoon Competition which were won by the following:

Best Painted Egg

Pre-school – Heidi Pembleton

Reception – Emily Riley

Year 1 – Fynn Courtney

Year 2 – Joanna Stopford

Year 3 – Rebecca Joseph

Year 4 – Bryn Jones

Year 5 – Sophie Charles

Best Decorated Wooden Spoon

Boys – Dylan Lawson

Girls – Ellie Charles

A massive thank you to Bradwell War Memorial, Bradwell Junior School, Bennett's Eggs, High Peak Heating Supplies, Middleton Dairies, Bradwell Co-op and WM Eyre for donating equipment and supplies to make this event possible. Also thanks to Bradwell Guides and Rainbows for their generous donation and everybody who baked any of the delicious cakes or donated to the tombola. Following this success we now hope to hold this event annually.

BRADWELL WAR HERO'S BOOK PUBLISHED

As our regular readers will know, Bradwell resident Denis Avey was presented with a medal 'In Service Of Humanity' by Gordon Brown in January 2010. A hectic year of worldwide interest has followed, culminating in the publication of his incredible story of courage during his wartime experiences, when he ended up in the infamous concentration camp of Auschwitz. "The Man Who Broke Into Auschwitz", written by Denis and BBC journalist Rob Broomby and published by Hodder & Stoughton, went on sale on March 31st and is available, as they say, 'at all good book shops'. Two days earlier, in association with the Holocaust Educational Trust, Denis was taken to the Palace of Westminster for the book's launch.

A British TV crew has recently spent two days at the home of Denis and Audrey and there are to be further meetings with Dutch newspapers and foreign publishers.

THAT PHOTO

Many thanks to those who have volunteered names to fit the faces on the old photo we published in the last edition. We did receive one handwritten letter via the Post Office with a lot of useful information in it, but are having difficulty both in deciphering the writing and in matching the names to faces on the photo. If the lady who handed it in would please make themselves known either to Peter in the PO or to Paul on 623941 we would love to chat to you and make the best use of your wonderful information. Thanks

MARTIN CLIFFE

Martin passed away suddenly on 28th February. He lived in Bradwell from 1988 until 2006, when he moved to Beverley to be near his daughter and grandchildren. Many will remember Martin as one of the founding members of the Bradwell News and its first Editor. He was well known for his property renovations, socialising in the White Hart and his affectionate nickname of Victor Meldrew. He will be greatly missed.

CHURCH NEWS

The Vicar and PCC express their sincere appreciation to three members of Bradda Dads, Paul Tanfield, Martin Riley, and Steve Lawson for their sterling work in clearing away from St Barnabas churchyard the several broken down lawn mowers and other items. The churchyard looks much better. I would also like to thank everyone from the village who has been, and is still working extremely hard to raise funds towards the repair of the church roof. I really appreciate this supportive community spirit. Events I have been able to attend have also been very enjoyable social occasions. Keep up the excellent work - and thank you. Bradda can do it! Rev Ian A Davis

REBELLION KNOLL WI

This month's talk is entitled 'Inspired to make a difference' and we are pleased to welcome **Tracey Viner** from the **Sheffield Cathedral Archer Project** with what promises to be an interesting talk on women's role in business and charity. Come along and be inspired! (See Events on front page). Last month our speaker was **Anthea Rawlence** from **Friends of the Peak District**. Anthea had taken a lot of time to include items of interest in our neck of the area, including sites of Special Scientific Interests and Pict settlements. The charity

started out as the Derbyshire Wildlife Society when, in 1924, they purchased the Longshaw Estate. The society subsequently became Friends of the Peak District in 2002. Whilst they traditionally are against quarrying they are not insensitive to the employment these quarries provide and the support they give to the local populace – the Hope works being a case in point. Their aim is to work with these businesses to try and limit the damage to the environment. Anthea told us about the humorous talk they had had with the the Severn Trent water authority who had explained, in quite graphic detail, the problems of installing the new sewage treatment plant we have in Bradwell and how many of the problems stemmed from trying to measure the 'flow' of sewage. Severn Trent also had to build a new bat quarter house, at great expense, to replace their old residence which would be lost when the old treatment plant was destroyed.

Anthea also explained that they ran a Planning Helpline and were able to give advice on obtaining grants. Her talk on the charity's work was beautifully illustrated with slides, many of which were winners of a competition they had recently run. An entertaining and informative evening was had by all.

DOGGY LITTER BAGS

There will be a slight change this month to the free Dog Litter Bags the Parish Council supply (available from the Post Office). Mindful of costs Council has sourced some cheaper litter bags which we will be trialling. We would welcome any feed back on their suitability.
