TEDDY BEARS CLUB

Teddy Bears had their annual sponsored walk just before the Easter Holidays. After gearing ourselves up with waterproofs and wellies we all walked down to beggars plot playing field. We had fun on the park and then walked back up to the hall for a Easter egg hunt. A fun morning was had by us all and thankfully the sun came out! So far we have raised £150 and our thanks go to everyone who sponsored a 'walker'. This money will go towards our summer trip to Chatsworth Farm Park and our end of term party. Teddy Bears meets every Tue & Fri at the Methodist Hall (opposite the White Hart) during term time from 9.30 – 11.30. It is a parent / carer baby and toddler group and everyone is welcome from birth. For the little ones we have toys, books, crafts, jigsaws, dressing up etc and our outdoor play area. For the grown ups we have tea / coffee and chat! It costs £1.50 per family and new people are always very welcome. For further info please call Esther on 01433 621529

BRADWELL OPEN GARDENS

Every year this popular event allows visitors and other residents a chance to "pop round the back" and sample the delights of our village gardens. This year we are in need of more people prepared to show their gardens, and your help would be so much appreciated. All proceeds go to Bradwell churches, and this can be a fun event. As long as the garden is presentable and 'different' then it is probably worth sharing. If you think you might be able to help please call Margaret Morley (620577)

PARISH COUNCIL NOTES

Two new councillors – Richard Harrison (Smalldale) and Peter Higgs (Brookside) were co-opted at the June PC meeting. Peter has resigned the chairmanship of BAND to avoid any perceived clash of interests. This brings council membership up to nine and leaves just one seat available. Anyone else interested in co-option, which does not involve an election, should contact the parish clerk.

Newburgh – Councillors again met with Newburgh directors to discuss progress and to continue pressure on them for a reduction in scale of the proposed development. We were told that a revised planning application is not now likely before December. Newburgh said at the meeting that they would reduce the number of houses in their plan if a developer came along with a proposal to create a business park on the site or if the number of affordable homes required could be reduced from the current 27.

Lafarge – At the June community liaison meeting, works manager Ashley Bryan spoke of an upsurge in demand for cement and a 15 month incident free record. He reported Hope production heading for an increase of 100,000 tons this year. He referred to a report in the Financial Times which suggested that Hope works would be sold to a competitor, for £300million, if the proposed Lafarge merger with Tarmac is approved by the Monopolies Commission. He said there was no basis for the report – which he described as ‘speculative journalism’. The volume of waste at the works was reported to have been reduced by 45%. Segregation of recyclable materials (bricks and coating) in kiln refurbishments has resulted in 1800 tons of previous waste being recycled. The Turner transport contract is to be terminated and their work awarded to Wincanton. The decision was based on tenders for price and service. Alternative fuel usage has increased from 16% to 22% of the total and the company is now looking at the possibility of using SRF (solid recycle fuel), which could include domestic waste. The Lafarge ‘final salary’ pension scheme has been closed to all employees.

Public Convenience – District have advised us that they are looking to fund improvements in some conveniences by closing others. We have been asked if the PC would be interested in taking over the toilets in Town Bottom Playing Field. It was decided to decline the offer, but to point out that they are mostly used by visitors to Bradwell, and the surrounding areas, and that its future should be considered in that context.

Town Bottom Phone Box – BT Payphones have asked us to consider adopting this Box to ensure that it will not be taken away. It was agreed to decline the offer, but to point out to BT that it is a well-used important facility and should be retained.

Bus Shelters – County have asked us if we are considering installing new bus shelters as they can offer a grant of 50% of costs. Town Bottom seems to be the most likely choice – although it would have to be sited on the ‘wrong’ side of the

road. We are making further enquiries before deciding, and would be interested to hear your views.

S137 grants – We have agreed to the request from Bradwell Bowls Club for a donation of £100 to sponsor their Charity Day on September 11th.

Footpaths – Since we handed back responsibility for maintenance of Bradwell footpaths to County Highways, last year, they appear to have done nothing. Any complaints about the state of footpaths should be addressed to them. Our thanks go to Peter Higgs for the voluntary strimming he has done on The Yeld and elsewhere.

Speeding – We have decided to enquire about the possibility of siting an automatic 30mph limit flashing sign in the village. Chris Furness

EDITORIAL COMMENT

The Bradwell News has received a letter and separate verbal comment from two residents related to the PC Notes article in the June Newsletter. These comments relate to party politics and raise some interesting questions, but in order to keep your newsletter free from party politics these exchanges have been posted on the village website forum at:

<http://www.bradda.org/Forum.htm> rather than in these pages.

The Forum is open to all residents to contribute their own comments and observations to the debate.

It would be useful for residents to know that District Councillor Janet Goodison will be attending the next Parish Council meeting on 5th July to respond to a series of questions and requests for clarification which have been asked of her related to possible changes to the waste management scheme, which she presented at the Annual Parish Meeting.

Residents are welcome to attend the Parish Council meeting - in the Methodist Hall lounge at 7:30pm on 5th July - to hear the discussion and to ask their own questions.

BRADWELL 100 YEARS AGO June & July 1911

Following its great success playing for the Coronation the Bradwell King George V Coronation Band met and agreed to put the Band on a permanent basis, with Isaac Hall as conductor with Allen Bradwell (tenor horn) as secretary and Mr Craig as treasurer. An attempt had been made to purchase instruments from the Castleton Temperance Band, which was rumoured to be in difficulties, but the Temperance men had decided to give it 'another go' (but they wished the 'boys of the Old Brigade' all the best). At the same time members of the Coronation Band agreed to make a door-to-door collection for their funds. It was later reported that £7 had been collected with 'much more promised'. Any instruments purchased would belong to the village.

Members of all three choirs from the two Chapels and Church had their annual outing to Blackpool where 'an enjoyable time was spent by the seaside'.

Arnold M. Hallam gained a place at New Mills Secondary School.

Fred Burnand left the Bull's Head to take up residence at Fern Bank and he was succeeded by Harry Lee of Smalldale (Harry can not have stayed long because the Bull's Head was in the hands of Bernard Bellamy by 1914).

Archie Wood of Charlotte Lane married Maria Palfreyman at St Barnabas'. Maria, who was the eldest daughter of Albert Palfreyman grocer of Towngate, wore a white lawn dress trimmed with needlework and a white hat trimmed with roses. The bride's maids, both of whom wore muslin with hats to match, were Maria's sister Celia and Archie's sister Lucy. The best man was Mr G.W. Broadbent, and the service was conducted by the Revd. G. Bird. The bride was given away by her cousin Frank Liversage although her father was listed amongst the guests.

Two deaths received prominent coverage. Humphrey John Hallam of Far Hill died at the age of 80 and the funeral was at the Primitive Methodist Chapel on Hugh Lane. The second person to die was much younger. He was 18 year-old Clifford Bradwell, son of Alfred Bradwell tailor of New Church Street. Clifford had worked at A. F. Hancock of Bamford. The service was conducted by Revd. Bird at Hope.

THANKS

BRADWELL PRE SCHOOL

9th June was a special day for the children of Bradwell Pre-School as it was their annual Summer Trip, which was to Gulliver's Kingdom at Matlock Bath. This years trip would not have been possible without the generous donation made by Bradda Dads, so a big thank you to them from all the children who had a very enjoyable day throughout. We will be holding an Open Evening to be held at the Memorial Hall on 5th July from 7.30pm – 8.30pm. The evening is a great opportunity for parents, current and new to see how the pre-school is set out day to day and how your child's session is structured. Staff, parents and current committee members will be on hand throughout the evening to answer any questions you may have and a short informative talk will be held at 8pm. A glass of wine plus other beverages will be offered on arrival – We hope to see you there! Please look out for the Bradwell Pre-School Stall on carnival day and The Festival of Sports. Please support your local Pre-School, your donations are very much needed and appreciated.

MRS SHIRLEY ELIZABETH ARCHER

Shirley Archer died on 6th May at the Whitworth Hospital, Darley Dale aged 76 years. Born at Hathersage, the daughter of Peter and Phyllis Bell she was educated at the Hathersage School and then at New Mills Grammar School. She trained as a teacher, taking positions at Dronfield and New Mills before coming to Bradwell Primary School. She was eventually appointed Head Mistress. Over the past forty years Shirley was involved in many village activities, serving on the Parish Council, some of the time as Chair and the Parochial Church Council. She also started the Historical Society and was a member of the Well Dressing committee. For a period she was the local correspondent for the Derbyshire Times. Shirley enjoyed holidays, both at home and abroad with some of her many friends. Although she had many interests her main concern at all times was the welfare of her family. She leaves a daughter Christine, sons Peter and Michael, six grandchildren and one great grandchild, a sister Gillian and brother Ronnie. Her sisters Valerie and Wendy pre-deceased her. Cremation was at Hutcliffe Wood on 23rd May, followed by a celebration of her life at St Barnabas Church.

MR BRIAN WILLIAM ROWE

Brian Rowe died on 28th April at the Northern General Hospital aged 73 years. Born in Bradwell, the only son of Jack and Florence Rowe he attended the Church of England School before starting work at the cement works. He did his National Service in the army, returning afterwards to the cement factory, but later setting up his own joinery business. He married Rosaline White and they lived at one of the bungalows on Quarters Lane before eventually moving to Hope. He enjoyed caravan holidays in the UK and overseas. He leaves his wife Rosaline, sons Stephen and Mark, daughter-in-law Catherine, grandchildren Nathan, Daniel, Faye and Adam, and sisters Kathleen, Maureen, Doreen and Gillian. His other sister Eileen pre-deceased him. Cremation was at Hutcliffe Wood followed by a service of remembrance at St Barnabas Church on 18th May.

REV. JOHN VAUGHAN

John was born in 1930 and spent most of his adult life as a priest in the Church of England. Ordained in 1956 he served most of his time in the Derbyshire parishes of Riddings, Hasland, Temple Normanton and Dronfield, and after a spell in Australia he came to Bradwell in 1986. During his time here alterations were made to the church, with construction of the balcony, kitchen and toilet. His artistic talents were used in many ways, including the fun days for children during school holidays. John retired in 1995 and went to live in Dronfield, becoming involved in the life of St John's Church. He continued to use his artistic talents until very recently, and he and Avril enjoyed being involved in many activities. John died on 30th April. A Thanksgiving service for his life was held on 15th May at St John's and a number of Bradwell parishioners were there. His body was received into the church prior to cremation on 16th May. He leaves a widow Avril, children Tim, Catherine and Helen and four grandchildren.
