Mince pies kindly supplied by young James. Everyone welcome, on any night! Janet HV 620803

BRADWELL HISTORICAL SOCIETY

Would you like to see the country's largest steam engine in action (and much else)? If so why not join the Bradwell Historical Society on a trip to Kelham Island Museum in Sheffield. The trip is during the day on Monday 12th November. You don't have to be a member of the Society to come but you will need to contact either John Monahan (621708) or Simon Barley (623458) to let them know you wish make the visit. The Society recently published a pamphlet listing the names of those who served in two World Wars. Unfortunately the name of George Furness was omitted from the list for Bradwell in World War II. The society wishes to rectify this oversight both for our archives and also for any reprint of the pamphlet. At the same time we would like to hear from anyone who feels that the contribution of a relation has been overlooked. If you think a name should be added to the archive and in a possible reprint please let Brian Gillham (623345). If you have already bought a copy of the pamphlet perhaps you would like to add the name of George Furness to it.

BRADWELL CYCLE CLUB

On a mild weekend in July members of Bradwell Cycle Club, with John & Steve of Mister Carpet in the support vehicle and assisted by James, Landlord of The White Hart, travelled to The Isle of Man, for their Annual Charity Cycle Ride. They cycled to "Bradda" just above Port Erin,

around the perimeter of the island, up to St Patrick, then across to Ramsey, Laxey and back to Douglas - about 100 miles! The following day, two members cycled the 35 miles of the TT track. All are aged from their mid thirties to 71 years and they raised a massive £1,800, of which £800 each has been donated to The British Heart Foundation and Cardiac Risk in the Young [C.R.Y.] in Memory of Kyle Hancock. £100 each was also donated to The Cystic Fibrosis Unit at Northern General Hospital in Sheffield and The Sick Children's Trust at Sheffield Children's Hospital. The Total Raised now for Different Charities is £16,000, a tremendous achievement! Thanks to everyone for their continued generosity!!!

GOLDEN WEDDING

Roy and I would like to say a big "Thank You" to friends and family for their cards and gifts on the occasion of our Golden Wedding, making it a very special day. Roy and Jo Houchin

THANK YOU

On 16th October it was a year since we lost Kyle Hancock to sudden adult death syndrome. Since then many charitable events have taken place in his memory. As a family we sincerely thank everyone for what you have done and for your continuing support. Many, many thanks to you all. The Hancock's Ivy Cottage -*article in full is on the website, Ed*

PARISH COUNCIL NOTES

Council: The resignation of our recently appointed councillor due to business reasons was noted with regret by Council. The Clerk has started the process to recruit a replacement. Cllr Granger gave an update on progress with matters associated with the Localism Act and with the Parish Plan. The Parish Plan has been agreed by residents at the recent public meeting in the Memorial Hall and is now being prepared for publication. This plan will have the potential to give the village more control over its future.

Carnival: The running of Carnival was reviewed in order to note what was well done and what could have been done better. It was decided to hold a Carnival again in 2013 subject to there being enough volunteers to help, but not to hold a second Saturday event. It was also decided that the maximum spend on the Carnival should be £3,000. Cllr Granger was appointed as a member of the Carnival committee.

Youth Club: The current position of the Youth Club was reviewed. No applications were received for the Youth Leader vacancy and the position will be re-advertised. The applicant for the Youth Assistant has been interviewed and it was decided to offer the position to her. The Hope Valley Multi Agency team attended the last committee meeting and offered the services of a Youth Worker to act as Youth Leader for a limited time. The Youth Club will re-open from 04/10/12 but more volunteers are needed.

Young Achievers Awards: It was decided that the Clerk should nominate a deserving young resident for the DCC Young Achievers Award. Watch future editions of Bradwell News for further details if this nomination is successful.

District Council Matters: DDDC Cllr Furness stated that a) a DDDC domestic refuse disposal roadshow was planned for Bradwell on 08/10/12, b) the new bins would be delivered from 08/10/12 onwards and c) a collection calendar could be obtained, if desired, from the DDDC website. The Clerk is to check if one of the cuts of our grass verges has been missed.

Playing Fields: The committee reported on site inspections of the Rose Garden, the former Royal British Legion site and the Town Bottom and Beggars Plot playing fields. Action items identified will be managed by the Clerk. The committee proposed a budget of £10k p.a. either for agreed projects on council property or to build a reserve to refurbish the Beggars Plot play equipment as per the Town Bottom equipment.

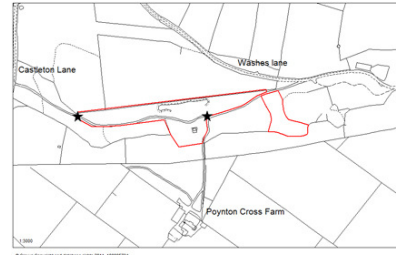

Skate Park: Little progress has been made with this initiative over the past month but the application for a grant was submitted last month. Other background investigation work is still required before council can arrive at a decision. It was agreed that public consultation will be carried out prior to a final decision on this matter.

Former Royal British Legion site: Council debated what to do with this plot of land on Soft Water Lane. It was decided to establish a small working party to investigate what options are available and then to report back with recommendations.

Problems with Heavy Traffic: Following complaints from residents about heavy vehicles using narrow lanes in the village, the Clerk is to contact the DCC Highways department to ask them to review the placement of their signage around the village.

HIGH RAKE

The High Rake site owned by the Peak District National Park Authority lies to the south of the road through Windmill and is made up of a number of small plantations and grassland over

old lead rake hill-ocks and hollows. In part the plantations lie over long abandoned rubbish tips. Peak District Mines Historical Society carried out archaeological works on the site from 2000 to 2008, uncovering a rich collection of ruined mine build-

ings and other features. There are now three interpretation boards, a railed area to allow visitors to safely view the main engine house, and a bench sited on the best viewpoint. A foot-path crosses the site linking the Windmill road to the old Castleton road and beyond to Tideslow Rake. This is used by mountain bikes and horse riders in addition to pedestrians with no deleterious effect. Obstacles at each end of the path go some way to preventing motorbike access and seem to be largely successful. The grassland has been unmanaged for many years and as a result is becoming coarse and tussocky with a scattering of scrub, at the expense of the more interesting wildflowers. These include knapweed, field scabious and cowslip typical of unimproved hay meadows, and leadwort and birds foot trefoil found on lead enriched soils associated with old mine workings. It is proposed to introduce grazing on part of the site (the area bounded in red on the attached map) in late summer/early autumn to control the growth of grasses and scrub and allow the wild flowers to flourish. This will require a certain amount of boundary works and alterations to the foot-path access points (shown as black stars on the attached map). Self-closing 5 foot bridle gates will facilitate easy access for all. The National Park Authority recognises the importance of the site to the local community for informal recreation including dog walking. In order to ensure the conservation future of the site we are requesting that particular care is taken when stock are on the site. We anticipate signing the site when stock are present and tying the gates open when they are absent. For further information please contact either Rebekah Newman (Ecologist) on 01629 816397 or Garry Bacon or Sally Wheel (Area Rangers) on 01298 871869.

TEDDY BEAR CLUB

The annual Teddy Bears pre-Christmas coffee morning and raffle will take place in the Methodist Hall on 17 Nov, 10am to midday.

This event is our biggest fundraiser of the year so please come along and support us. We will have children's games, a cake stall and other stalls - please come along and join us for the morning. We will be selling raffle tickets outside the Co-Op on Saturday 10 November, priced at £1 each. First prize is a hamper containing over £100 worth of goodies. Other prizes include tickets for the panto at Buxton Opera House, SWFC and SUFC tickets, travel vouchers and vouchers to be used in local businesses. We are Bradwell's group for mums, dads, carers, babies and toddlers, meeting during term-time on Tuesdays and Fridays from 9.30am to 11.30am in the Methodist Hall, opposite the White Hart. We charge £2 per family per session, which includes refreshments for the grown-ups and children. For more info, contact Colette Holden - 01433 623838

ST BARNABAS XMAS FAYRE

Saturday 1st December from 10am to 11:30am in the Memorial Hall. Stalls with gifts, including Christmas items, cakes, books, fashion rail and a raffle. Refreshments include coffee, tea and mince pies. Father Christmas will be there and he is looking forward to seeing lots of girls and boys.

BAKEWELL CHORAL SOCIETY

Following the sad death during the summer of Richard Barnes MBE, Bakewell Choral Society are looking to recruit a new MD/Conductor. Formed in 1978, Bakewell Choral Society is a friendly, mixed choir of more than 80 members. The choir performs four public concerts each year, including a Christmas concert featuring Christmas music, carols, festive poems and prose extracts. Other concerts are a blend of sacred and secular choral music, sometimes including contemporary pieces - by local composers - and, occasionally, commissioned new works. Anyone interested please contact the Hon. Secretary on 630103 or mail thedowneys@talktalk.net

BRADWELL PRE SCHOOL

Children as young as two years old found out more about the work of the police recently. Ten youngsters from Bradwell Pre-School paid a visit to the local police office on Netherside where PCSO Anthony Boswell spoke to them about what police officers and Police

Community Support Officers do. The youngsters also had the chance to sit in a police car, test the sirens and to try out parts of a police uniform, including different hats and jackets.

BRADWELL BOWLS CLUB

This photo was taken at Derbyshire, Leicestershire & Rutland Air Ambulance where the Bowls Club handed over a cheque for £720 which was raised at their annual charity day. In the photo, from left to right are Richard Evans, Marge Evans, from Matlock Bath Bowls Club (2011 winners who chose the charity), David Reeves -Fundraising Manager - The Air Ambulance Service and June Poke. We were given a tour of the ambulance station and allowed to get up close to the helicopter. It was an enlightening visit.

REMEMBRANCE SUNDAY

The Remembrance Service this year will be held this year at St Barnabas Church on Sunday 11th November at 10am.

NEWS FROM JULIE TOMPKIN

Julie tells us that boutique has just been opened in her salon selling clothing, shoes, bags etc. They have a range of sizes from 8 to 22 and have tried to keep it to "one of everything" as much as they can so you can go out in Bradda confident that no-one will have the same thing on as you. The shoes are a one off so if they don't fit you they can't get different sizes. The shop has also been totally refurbished in a cosy vintage theme, with the highest standard of hairdressing in a fun atmosphere.

BRADDA DADS

We would like to thank Richard Patton who kindly offered us the chance to be involved with marshalling the Long Tour of Bradwell Fell Race last August and also in the future. All proceeds of the race were generously donated to us in return for our help. We are very grateful to Richard for this and hope to see the race continue to be successful.

BONFIRE: is on Friday 9th Nov at 7.00PM with fireworks at 7.30PM. If you have anything for the bonfire please contact Mick Taylor on 621371. Collection will be on Sat 3rd Nov in the morning.

CHRISTMAS CARD LIST: A slip will be delivered to everyone shortly. If you wish to participate, please complete and return the slip to the Bread Shop by 22nd Nov along with your donation.

Keith Cooper and Mark Johnston are hanging up their ducks .. and retiring. Both have given many years of service to Bradda Dads and we are sad to see them leave. We would like to thank them for all their hard work and dedication to the cause.

EXCELLENCE IN THE COMMUNITY AWARD

Well here we are at the Excellence in the Community Awards in Buxton. Everyone had a good time (I think). We were met by wine and a buffet, after which the awards began. It was quite humbling to listen to the achievements of the other awardees. May I

thank the Parish Council for the nomination - I think all of us felt that we are appreciated and that we are doing a worthwhile job! There are people out there who still pick but were unable to go to the awards due to restriction of numbers - so I apologise to those who were unable to go, I assure you, you are also very much appreciated - keep picking! Janet.

NEW WASTE MANAGEMENT SCHEME

There have been some missed deliveries of new containers in some areas. Anyone who has not yet received a delivery of new containers together with a 4 page instruction leaflet, or has uncollected black bags, should telephone the waste helpline (01629 761122) or email

waste@derbyshiredales.gov.uk/waste

Also, if anyone has comments or questions on the changes to our waste collections we are posting them on the village website FORUM pages. Your District Councillor has promised to answer any questions which are posted. You can mail your submissions to the Bradwell News mailboxes or direct to the Forum from the website at [this link](http://www.bradda.org) (http://www.bradda.org)

BRADDA FOOTBALL

In the Junior leagues the magic of the Senior Manager "Abs" rubbed off on the U8's. Following his warm up they got their first win against Grindleford with a hat-trick for Connor Horan. October was a good month for the U10's, with a 6-0 win over Bamford, man of the match Harry Thompson netting all six. An excellent victory over Gindleford saw Alfie Young scoring six and Jonah Patton man of the match. Baslow were much tougher; after taking the lead through Alice Broome, Baslow came back and took the lead but Bradwell snatched a deserved equaliser. Man of that match was Leon Ward whose last ditch tackle prevented Baslow taking all the points. October saw our 1st XI carry on the form of previous months with wins against A.F.C Dronfield, Furness Vale and Brampton. In a game not to be missed they compete against Tideswell Utd. in the Derbyshire Divisional Cup 2nd round: Tideswell - 17th Nov. - KO 1:15pm. Our 2nd XI continued their improvement into October with a league draw and win in the Derbyshire Junior Cup North against Winstler Wasps. Their first league win of the season was at Stoney Middleton. In the next round they entertain C.C.Barley Mow at Bradwell on November 10th - K.O. 1:15pm. For other senior fixtures please check Post Office or Bradwell Sports Club site.
