ASHGATE HOSPICE RAINBOW RIBBONS APPEAL

The hospice had an appeal running recently called "Rainbow Ribbons". People donating to the appeal received a colourful ribbon of their choice to be tied to the Rainbow catcher netting outside the Hospice in memory of a loved one, or just for someone special in their lives. Together this makes up the colours of a rainbow which shines brightly outside the main entrance. Our Lillian Riddall invited Laura Taylor-Bassett to the village during Gala week because as many of you will have seen, Lillian's display in the Methodist church this year was based on rainbows, coinciding with the rainbow ribbons appeal. Laura says she was amazed by Lillian's creativity, imagination and skill in painting, knitting and spray painting gold! She also thanks Lillian for the wonderful cuppa and rice crispy cake which she kindly provided. To make a donation to Ashgate Hospice, you can contact Laura on 01246 568801 or visit their website at www.ashgatehospice.org

Do please make an effort to attend this talk, which will be in Bradwell Methodist Church Hall at 7.30p.m. This is an opportunity to see how every penny donated to "Mission Direct" is used to alleviate the difficult situation in Sierra Leone. WELL DRESSINGS

A great big THANKYOU to all those who kindly came along to help the Wells Group put the clay in all the village wells in preparation for "petalling". Having so many people available made the job so much easier and it all seemed to take no time at all. Our appreciation also goes to those who offered transport to take the wells to various points of the village for "petalling" and again thanks to those who helped transport and erect the wells early on Gala Saturday morning. We are so very grateful and hope that we will see you all again next year?? As usual a lovely display of the skill of Bradwell "petallers" - you did great!

A VERY SPECIAL THANK YOU to Reg Davies who has been such a reliable help to us over many years. Offering transport, putting in the clay and help with storage facilities etc. We shall miss him being involved but will still be seeing his friendly face around the village. All the very best Reg, to you and Angie. Jackie Evans, Chair, Wells Committee

PARISH COUNCIL NOTES**Closure of the B6049 through Brough**

Severn Trent Water's project continues apace, now using two way traffic control from Vincent Works along Stretfield Road. Work in the vicinity of Vincent Works has been slower than expected over the past week or so due to the amount of rock encountered under the road surface. However, Enterprise expects to complete the overall project by the end of September. As always, the weekly progress reports can be obtained each Saturday on the Enterprise website (www.enterprise.plc.uk/bradwell).

Planning Application for the Newburgh site

The council continues to monitor progress with this important planning application. There is no new information available to report at present. The Parish Council will let you know as soon as possible when there is any news to report.

Bradwell Neighbourhood Plan (NP)

Hopefully, you will have visited the NP exhibition stall on Beggars Plot on Carnival Saturday. This was intended to provide more information for residents and to encourage volunteers to assist the team in this important initiative. If you would like to contribute to this important work and to help to define the way Bradwell will develop in the future, then please contact Steve Lawless (620329). Your help would be warmly received. It has been decided to arrange a formal training course for those councillors / volunteers involved with this initiative on Tuesday 3rd September. This means that the village meeting proposed for this date will be moved back to later in the month, to 7:30 p.m. on Thursday 26th September in the Memorial Hall. The team invites all residents to attend this meeting. The objective is for you to understand the scope and implications of this initiative and for the team to gather as much comment and feedback from you as possible.

Carnival 2013

'The best one yet' was among the lovely comments received from residents about this year's Carnival Day, which was based on the theme of 'Children's Books'. The weather was again kind to us and this year more visitors than ever attended the events. This year Bradwell had its own Royalty with Junior Queen Leah, Princess Jodie and Rosebud Faye all looking stunning in their regal attire. A number of new events were booked for this year which were very successful and new entrants took part in the parade. Many thanks must go to all those people (too numerous to mention) who made this year's event such a success.

Youth Club (YC)

We have just been informed that the Youth Club Leader, Matthew Loader, has resigned due to time pressures with his main job. This vacancy will be advertised shortly. The Youth Club will re-opened as planned on Thursday 12th September following a committee meeting which will start at 5:30 p.m. The YC committee is seeking more volunteers to help with the running of this Club. This is not particularly onerous and will

involve one evening per month for two hours on a Thursday evening. If you feel that you could help with the running of this club, then please contact Katrina Lancaster (620446) or Steve Lawless (620329).

Financial Support for Village Organisations

At the last PC meeting three applications for financial help were considered from organisations in the village. The council decided to award money to all three of these applications. These awards have consumed most of the funds available for grants, leaving just a few hundred pounds available for awards during the rest of this financial year.
Parish Clerk and PC Chair

ABNEY QUIET DAY

Our Quiet Day is on Saturday 14th September in Abney Village Hall from 10 am to 2.45 pm. The theme is the Presence of God. Sister Grace OHP from St Hilda's Priory at Whitby will join us for this peaceful occasion, which ends with Eucharist. Bring lunch, but tea and coffee will be provided. No charge, but donations appreciated (perhaps £5?) towards expenses. Ring Josephine for details on 621443

THANK YOU'S

A big thank you to the organisers of the car treasure hunt 2013. MOST ENJOYABLE! As two novices to the event, with the help of Pauline Tibbenham we found our way around! We are now addicted and can't wait for the 2014 event. Debbie & Geoff Hobson

So many to thank: To everyone who gave their time so willingly and helped with the Church Exhibition; everyone who brought their magnificent Arts and Crafts – always a delight; the children who produced such wonderful rainbow fish; Castleton Photographic Society - there was a lot of interest in the display of photos; everyone who helped with teas and stewarding; and everyone who came to look at, and enjoy the Exhibition and the refreshments. We raised **£1,934.21** – this includes profits from The Open Gardens, which was a huge success; thank you so much. It was a good week.

Sandra Nichols and family would like to thank family and friends for their support and kindness during Paul's short illness and following his death on 26th July, 2013. Special thanks to Brenda and Mick, Becky and Lee, Jayne, and Trish and Aud. Thanks, too, to Paul and all at J.E.Nutch for their help and professionalism. Sandra, Anne and Paula (and families)

Roy and Wendy Weston wish to thank everyone involved in making their Diamond Wedding Anniversary such a memorable occasion. The generous presents, beautiful cards (including one from the Queen), welcome visits and telephone calls are all very much appreciated. Thank you.

CAN YOU HELP?

On Thursday 22nd August "Pine House" on Netherside was badly damaged by fire and the police have said this was due to arson following a burglary. If anyone saw anything suspicious at around 10am that day could they please contact Matlock CID on 101 or Crimestoppers (anonymously) on 0800 555111. Sue, Chris, Nick & Corina (and Obie the dog) are all safe but were left literally with only the clothes they stood up in. Heartfelt thanks to all the friends and neighbours who have inundated them with clothes, toiletries and food parcels. A special mention to Debbie & Sharon and all at the Bread Shop, and Sheree and Johnny who provided sandwiches & drinks all day Thursday for everyone - and still are!

OPEN GARDENS

Open Gardens was a great success this year. 327 tickets were sold, twice as many as last year and £600 each was donated to St Barnabas and Methodist Churches. Publicity on the web brought visitors from far and wide and there were lots of first time visitors. There were also holiday makers who came from Durham and Peterborough. The weather wasn't perfect, but the rain just about held off. Everyone doing teas had brisk business and the plant stall did well and gave us a donation. Everyone enjoyed themselves, delighted by the welcome and the sense of community. A huge thank you to everyone who opened their garden, those who made donations and to all at the Bread shop and Ice Cream shop who sold tickets.

BRADWELL 100 YEARS AGO

A photograph of Police Constable Brown in full uniform proudly bearing his King's Coronation Police Medal appeared in the papers in September 1913. PC Brown was soon to retire after 30 years' service in Bradwell. After the close of business at Chapel-en-le-Frith police court, Seth Evans JP spoke warmly of PC Brown's service to Bradwell (and earlier at Peak Forest). By September 1913 the Bradwell Scout troop was in full swing with Scout Master L Coupland and Assistant S Bradwell. Boys were to be presented with uniforms by 23rd September after they had passed their Tenderfoot tests. On that day the 30 boys, divided between four patrols -Cuckoo, Peewit, Seal and Cat - were presented with the Troop flag by District Commissioner Col. Shuttleworth of Hathersage. In an interesting venture taking place on the Gore Lane Cricket Ground (roughly where Micklow Close is now built) the ladies of the Primitive Methodist Society of Bradwell played a cricket match against the men of the Bradwell PM Cricket Club. Despite having to bat left handed the gents were victorious by 55 runs to 42. The match was followed in the evening by musical entertainments and games when a total of £7 was raised for the 'Gas Installation Fund'. Also in September Mr Robert Dixon's haystack was found to be on fire but prompt action of villagers, ferrying water from the Brook ensured that only part of the stack was destroyed. The cause of the conflagration was unknown.

FINANCIAL SUPPORT FOR COUNCILS

There is a petition currently in the Post Office in support of a cross-party "Rural Fair Share Campaign" being championed by 100 rural MPs who are requesting changes in the way financial support is allocated to Councils. Currently, urban Districts receive 50% more support per head than rural Districts, despite higher costs in rural service delivery. The more signatures the better for Bradwell and Derbyshire Dales, so if you feel you can support the cause please pop into the PO and sign up.

BRADDA DADS

Bradda Dads would like to thank everybody who bought tickets for the duck race. We also wish to thank the carnival committee for all their efforts in making this years carnival a success, a big thanks to all who took part in the carnival. Thanks also to Mr & Mrs Briddock who kindly gave Bradda Dads the monies from their hanging basket collection.

MISS PAMELA DOROTHY MANN

Pamela Mann died at Broomcroft Nursing Home on 19th March aged 87 years. Born in New Zealand she came to England when she was 20 years old. She lived in London whilst working as secretary to the author Ngaio Marsh, then moving to Sheffield where she taught social care at Sheffield University. It was there that she met Miss Berry and around 1986, upon retirement they moved to Bradwell, living here for nearly 20 years. They both then moved to Moorland House and on Miss Berry's death, 5 years later, Pamela moved to Broomcroft. She was a talented artist and her paintings used to be on display in the church during Gala week. Her only sister, Lorna pre deceased her. The funeral, followed by cremation was at St Mark's Church, Broomhill on 5th April.

MRS MURIEL MASON

Muriel Mason died on 8th August at Moorland House, Hathersage aged 82 years. Born in Bradwell, the only daughter of Lionel and Edith (Madge) Tanfield she attended the Council school before starting work at International Twist Drill at the old Comb Mill off Stretfield. After a short time she moved to Wilson Pecks in Sheffield, remaining there until 1951 when she married Alf Mason. They lived in Church Street, Bradwell where Muriel remained until about ten years ago when, due to failing health she moved first to Eyam Dale House and then Moorland House. She enjoyed reading, music, knitting and coach holidays. She leaves sons Philip and Geoffrey, daughter-in-law Anne, Grandchildren Alison, Lynsey and Andrew and great-granddaughters Jade and Caitlin. Her husband Alf and brother Clifton pre-deceased her. The funeral was at St Barnabas on 15th August, followed by burial.

MR PAUL CHARLES NICHOLS

Paul Nichols died at home on 26th July aged 74 years. Born at Stanington, the youngest son of Albert and Marie Nichols he was educated at Stanington and then Barnsley Technical

College. He served for four years in the RAF and then worked for the G.P.O. on the technical side. On getting married he moved to the Blue Circle cement works, but later set up on his own as a driving instructor, and finally working at Bradwell's Ice Cream Factory before taking early retirement. He married Sandra Wilson and they lived in Smalldale for over 30 years before moving to Wortley Court. He enjoyed walking and painting and, in his younger days playing golf. He leaves his wife Sandra, brother John, daughters Anne and Paula, sons-in-law Andrew and Sean and grandchildren Harry, Max, Katie, Evie and Alice. Cremation was at Hutcliffe Wood on 7th August.

CARNIVAL 2013

We were once again blessed with a sunny day for Carnival and the village hugely enjoyed the annual event. The street collection raised **£710.40** to be shared between the Teddy Bear Club, Bradwell Pre-School and Bradwell Scouts. A big thank you to everyone who donated, and a special thank you to Glyn Judge who personally raised £90.86.

GRUMPY THANKS

Bradwell's Grumpy Old Men would like to thank everyone for their support for the first ever village motorbike show. A total of **£166.00** was collected in donations and the Grumpy Old Men are donating this to Bradwell Scout Group. This could not have been achieved without the support of those who brought their bikes to the show, those who provided the homemade cakes and those who made the teas, but our biggest thanks go to those who called in and gave so generously. Additional thanks go to Dick from the hardware store for providing the excellent location, power and water; with special thanks going to James from The White Hart for providing cups, spoons, table and chairs and for judging the motorbikes in his own inimitable style! Everyone seemed to enjoy the show and even the Grumpy Old Men were grinning by the end of the day and looking forward to next year's show.
