BRADWELL JUNIOR SCHOOL

Following the retirement of Debbie Hancock, there is an opportunity to join the friendly team at Bradwell Junior School as a mid-day supervisor. Head teacher Mrs Attwood says, "We're very thankful to Debbie for the time and effort she put into school and wish her a very happy retirement. Mid-day supervisors are a really important part of school life and are relied on by children and staff alike. We are looking forward to welcoming a new face to the team."

Mid-day supervisors are responsible for the care of the children during the dinner hour. This includes supervision of lunch and engaging with the children through play and motivational rewards. They also listen to the children read for 10 minutes at the end of lunchtime...even read to the children if they are feeling brave! Mid-day supervisors at Bradwell Junior School are highly valued as members of the staffing team; they receive training and are encouraged to bring ideas and initiatives to the school. They are also asked to give input about the well-being of the children as we appreciate the extra insight that they gain through their role. The role is ideal for someone who needs to be at home during the day, for example, if their child has just started school. If you would like to find out more, please get in touch with the school or drop in for a chat.

GEORGE FLETCHER

In September, prayers were said in St Barnabas Church for George Fletcher, who was one of the 120 men of the 74th (Airborne) Battalion of the King's Own Scottish Borderers, who lost their lives in Operation Market Garden 70 years ago.

BRADWELL WAR MEMORIAL HALL

The World War One Centenary Commemoration Evening is on Saturday 15 November at 7.30 pm. We hope that you will feel able to come along and support our evening. The Hall was built in 1923 to commemorate the 33 local men who died in the Great War. Bradwell residents set up committees to raise funds, build and manage the Hall from 1919. It is still run as a registered charity and the present committee felt it was very important to mark the centenary of the start of World War One. The evening will consist of items by Tideswell Band, Storybag Theatre and Bradwell Historical Society. A display of memorabilia associated with the Great War is proposed. A hot supper and dessert will be served and a bar will be available. Tickets at £10 are available at The Post Office, Hardware Shop or for further information phone 620619 or mobile 07977241356. We look forward to seeing you in our newly decorated Hall to commemorate the centenary of WW1, which we are sure, will prove to be a very enjoyable evening.

PC NOTES**Neighbourhood Plan (NP):**

Following the latest Public Meeting on 2nd October, comments and feedback from residents has been considered and incorporated where appropriate into the draft policies. These policies have again been reviewed by the planning expert commissioned by the council to refine them to the level of detail required by PDNPA. Thanks to the tremendous efforts of the team, excellent progress has again been made in bringing them, and all the supporting documents, up to the required standard to take them onto the next stage in the lengthy, legally defined adoption process. Next steps are for these policies to be approved by the Parish Council and for the commencement of the six week public consultation period. As part of this consultation process, the policies will be available for public inspection on Friday 14th and Saturday 15th November in the Methodist Hall.

Youth Club:

Work continues to enable the Club to be re-opened. Assuming that a Youth Leader can be identified it is hoped to re-open in the Sports Pavilion on Monday evenings, with the first session on Monday 3rd November, after half-term. For latest information, watch for signs and posters around the village and the Bradwell Youth Club page on Facebook.

Road Signs:

Inappropriately large vehicles continue to cause damage to properties in the narrow lanes of our village. The latest problem was caused by a HGV, whose driver 'was only following his SatNav', damaging the wall of a property in Hollowgate. The wall is still screened off to protect the public until repairs can be carried out. This month two councillors met with DCC Highways officers to review these problems and to investigate what additional actions can be taken. These officers will review their findings and then let us know if further measures can be taken.

Liaison with Partner Authorities:

Council continues to liaise with principal authorities, agencies and local businesses. Examples of possible collaboration include working with DCC re nominating Snow Wardens now that winter is approaching, with the Environment Agency / Severn Trent re nominating Flood Wardens, with the Police re sharing of resources and in reporting incidents of crime and anti-social behaviour and with PDNPA on routine planning applications.

DDDC Litter Bins:

Following a consultation by DDDC and the subsequent response by the parish council, DDDC has agreed to replace a number of smaller dog litter bins with larger general litter bins. This change is designed to increase capacity (in the past a number of the small dog litter bins became overfilled) and also to increase flexibility (as general litter as well as dog litter is allowed in these bins).

PUPPETS AND FUN

A new entertainment group requiring adult members is being formed to encompass all the villages within Hope Valley. The group will take every care not to tread on other theatrical groups' toes and will have at its core the remit of being alternative to those groups. Preparation is underway to present, next May, a lively and entertaining Puppets and Fun show for the Valley's younger children. We now require Expressions of Interest to be involved. Required are: musicians and singers, stage hands and prompt, props and programs, actors and hand puppeteers, wardrobe and make-up and sound and lighting. If you are a wizard with a piece of wood and a screwdriver, or a roll of material and needle and thread, please come on board. We need people to stand in the wings with a mike to be the voice, usually spoken, sometimes sung, of the person making the moves in an animal costume on stage. We need leaders for Old McDonald etc. with the children. Also deep, rich voices and especially squeaky, very cute voices and accents too. Interested? Please contact Sylvia and we'll arrange an inaugural meeting to form the group, with rehearsals expected to begin around March. **Email** puppetsandfun@gmail.com **Telephone** 01433 620246. **Text (only)** 07967 425980 **Write to:** Puppets and Fun, c/o Jenwood, Brookside, Bradwell, S33 9HF

PATRICK TIBBENHAM

Pauline, Paula, Philip and James would like to thank everybody who helped us to raise over £3,000 for Prostate Cancer in memory of Patrick. We walked up Ben Nevis on 6th September as a challenge, and he would have been so proud of us all, especially James who was 11 years old at the time and ran most of the way up. I wish I could say I ran most of the way up, but I found it the most gruelling thing I have ever done. By the time you are reading this I will have returned from China where I will have walked a part of the Great Wall for my Mum, who is 93 years old and suffers with Alzheimers. Hopefully it will not be as tough as Ben Nevis. Thank you Paula, Philip and James, I am so proud of you, but most of all I am proud of myself.

MISS LILLIAN FRANCES DAKIN

Lillian Dakin died at home on 26th August aged 89 years. Born in Bradwell, the daughter of James and Hannah Dakin, she attended the church school. During the war she worked at Metro-UK in Bamford, and then after the war she worked mostly in domestic service, firstly at Birchfield Lodge (the Holiday Fellowship guest house) and then at Kelsey's family in Castleton. Later on she worked in the café at Treak Cliff Cavern and finally at the Brough works of Cooke and Stephenson. Lillian enjoyed baking, cooking and gardening, and also car trips around the Peak District with her brother Ellis, and later with her nephew Malcolm. She leaves nephews and nieces. Her sister Mary and brothers Stanley, Arthur, Arnold, Colin, Douglas, Ellis and Norman pre-deceased her. There was a funeral service, followed by burial, at St Barnabas Church on 9th September.

MR BRIAN JELLIS

Brian Jellis died on 17th August in Weston Park Hospital aged 80 years. Born in Jessop's Hospital, Sheffield he was the son of Thomas and Gladys Jellis. He attended the church school in Hathersage before going to work for Doug Turner, and then the Blue Circle cement works. Brian married Dorothy Clark from Aberdeen, who he met while on a camping holiday in the Lake District where she was working. They lived in Hathersage for a short time before moving to Hope about 10 years ago. After Dorothy died he moved to Wortley Court. Brian enjoyed playing football and fell running, and was a keen supporter of Sheffield Wednesday. Later in life he played Bowls, Darts and Dominos.

He leaves daughter Elaine, sons Michael, Graeme, Kevin and Alan, six grandchildren and one great-grandchild. His wife Dorothy and son Neil pre-deceased him. The funeral was at Hutcliffe Wood, followed by a service of thanksgiving on 27th August.

LEST WE FORGET

Wear your poppy with pride, my son,
Wear your poppy with pride.
Remember those who died, my son,
Remember those who died.
Thousands were wounded sore, my son,
Thousands were wounded sore.
That's the result of war, my son,
That's the result of war.

The nation mourns it's lost, my son,
The nation mourns it's lost.
How valuable the cost, my son,
How valuable the cost?
They paid the sacrifice, my son,
They paid the sacrifice.
There was no other price, my son,
There was no other price.

So, wear your poppy with pride, my son,
Wear your poppy with pride.
