MACMILLAN NURSES EVENT

There will be an auction and raffle at The **Shoulder of Mutton on 4th July at 7pm** to raise money for Macmillan nurses. My mum (Doreen Burns) was diagnosed with bowel cancer in December 2014, and after seeing how hard the Macmillan nurses work we decided to raise money to help them build their new all purpose Macmillan hospital in Chesterfield. At the moment cancer patients have to trek from one end of the hospital to the other but the new hospital will have everything they need under one roof. We have had a fantastic response from everyone we have approached asking for prize donations. The prizes range from a bar of soap to football tickets, golf, days out, meals out, zombie uprising, pamper sessions, fishing, a dump truck ride, vouchers and many more. Jo Duxberry has offered her DJ and karaoke services for the evening, there will be a small buffet which has been donated by various different companies and Ray Horan will be our auctioneer for the evening. We do hope you can come along and help us make the event a great success. Richard and Barbara Burns.

NEWBURGH SITE

As previously reported in the March edition of *Bradwell News* a developer is in discussion with Newburgh regarding a possible development of the site. The developer will be meeting the PC Neighbourhood Plan committee, which will examine the proposal to ensure that it conforms to the requirements of the Bradwell Neighbourhood Plan. Following this the developers are running a public "drop-in" session in the **Memorial Hall from 4 pm to 7 pm on Thursday 23rd July** to allow all residents to view the plans and ask questions.

VILLAGE SHOP - GRAND OPENING

Stanley Bradwell opening our new "Post Office Local" and Village Shop on 30th May. A large number of residents attended this event to sample some of the products now available and to share a glass of bubbly and some cake with Rob and Sally. We wish them and all our other traders well.

SKY-DIVING FOR CHARITY

Becca, Matt and Sheena are doing a Skydive on 15th August (weather permitting) in aid of Multiple Sclerosis. We would be very grateful for any sponsorship and the following is our "Justgiving" link. www.justgiving.com/becklawther. If you prefer the more traditional method I do have a sponsor form so please ask for one. With thanks. Sheena Judge

PC NOTES

Parish Councillors:

Martin has decided to re-join Council so at the last PC meeting he was co-opted. We welcome Martin back to Council and value the work he does for the village. There is still one remaining vacancy on Council which we would like to fill, so if you would like to become involved in helping to run the parish or would simply like to know what is involved please contact the Parish Clerk. The Clerk can provide background information or just chat about the role and what is involved.

Playing Fields management:

The Playing Fields committee carried out its quarterly inspection of its playing fields and other public spaces. A number of items were identified for attention and these will be dealt with by council caretakers over the coming weeks. The formal independent annual inspection of the play equipment on both playing fields is due to take place in the coming few weeks.

Neighbourhood Plan:

Now that the PDNPA has decided on the appointment of the External Examiner, the Bradwell Neighbourhood Plan will soon be submitted to him for his examination. Due to the way the plan has been written a Community Land Trust must first be created and formally incorporated. A group of councillors and residents are at an advanced stage in this important initiative and have applied for incorporation of the "Bradwell Community Land Trust". **All residents are encouraged to attend the inaugural meeting of the Land Trust**, in the Memorial Hall at 7:30 pm on 6th July, when there will be an opportunity to take a role in the Trust or to simply become a member and be a part of this important new initiative for our village.

Traffic Management Issues:

Some councillors and residents recently met with DCC officers to review traffic signage in the village in an attempt to prevent further incidents of HGVs causing damage to property near the centre of the village. Some changes have been agreed which DCC will put in place in the near future. In addition, council is considering erecting additional signage to help alleviate the problems.

S137 Grants:

Applications have already been received for grants from Council. At the last PC meeting it was decided to award grants of £300 to St Barnabas PCC towards the costs of felling diseased trees and £500 to the Sports Club towards the costs of a new heating boiler and other works. If your group would like to apply for a grant, just contact the Parish Clerk for information on how to apply.

Policing:

The last PC meeting was attended by PCSO Boswell, who updated Council on various policing matters relating to the Hope Valley and to Bradwell in particular. He reported that overall Bradwell has had few crimes or other incidents, but warned that other villages have been subject to break-ins and thefts, including thefts of quad bikes. He asked that residents

report any suspicion activities using the police 101 telephone number.

Carnival Planning:

A Parish Council committee is responsible for organising the Carnival parade and events on the playing field on the first Saturday, together with various other activities during the week. This committee is busy planning for this year's Carnival and all is presently on track. If you would like to become involved in helping, please contact the Clerk for details.

HOME ON LEAVE

We continue the series of articles recording local servicemen returning home on leave during World War 1.

In July 1915 local newspapers recorded visits to Bradwell by 9 soldiers. Some of the men appear to have enlisted earlier in the year and were on furlough (the word used in the reports rather than leave) between their initial training in England and their posting abroad.

52638 Private Charles Stuart Ross 2nd Btn. Durham Light Infantry. Charles, who was aged 20 was the son of William and Julia Ross of Ivy Cottage, Hollowgate (later Hill Head). In 1911 his occupation was given as labourer. As part of the Army 23 Division Charles probably left for France in August 1915 and may have been engaged in the Battle of Loos fought that year. Charles lost his life on 12th July 1917.

24725 Gunner Oswald Ashton Howe Royal Field Artillery. Oswald, who was aged 19, was born in Edale to Walter and Martha Howe and was recorded as living with them in Bradwell in 1911 (but not where in the village). He had been a grocery shop assistant before he enlisted.

15402 Private Percy Bradwell 9th Btn. Notts & Derby (Sherwood Foresters) Regiment. Percy, who was aged 20, was the son of Willoughby and Emma Bradwell of Dialstone. He was listed as a horseman in a limestone quarry in the 1911 census. The 9th Btn. left Liverpool for Suva Bay in Gallipoli early in July 1915 and were evacuated to Egypt in December of that year.

10/1097 Private John Darneley Petty. Jack, who was aged 28, enlisted in Hull into the 10/13th (service) Btn. East Yorks Regiment (known as the 'Pals'). Hull was his home where his father Mortimer and mother Sarah Hallam were living but his family also rented Kinder Cottage on the Hills. Prior to enlistment Jack had been a teacher of mathematics at Pontefract Grammar School. Jack had been posted to Egypt by the end of 1915 and was commissioned 2nd Lieutenant the following year. He was seriously injured in 1918.

13989 Private Gilbert Caterer, King's Own Yorkshire Light

Infantry. Gilbert was aged 21 and would have been visiting his mother Florence who kept the Newburgh Arms. The 7th Btn. KOYLI landed in France in July and was followed in succession by the 8 and 9/10 Btns. in the next few months.

Captain Robert William Jenkins 10th Corps Cycle Btn. (5th Btn. Yorks & Lancs. Regiment). Robert was gazetted Captain on 9th September 1914. His home address was given as Netherside, Bradwell by Sheffield.

1426 Private Walter Hall Notts & Derby (Sherwood Foresters) Regiment. Walter, who was aged 28, was living with his sister Mary Young and her husband George at Far Hill in 1911 when his occupation was given as cotton mill worker.

6586 Private (soon L/Corp) Charles Elliott 10th Btn. Notts & Derby (Sherwood Foresters) Regiment. Charles, who was aged 37, was living in Great Hucklow with his wife Emma and their 4 children in 1911. His occupation then was given as limestone quarryman.

Private Thomas Humphreys Royal Welsh Fusiliers. Thomas, who was aged 19, was from Merthyr Tydfil and was probably visiting his sister Annie Harries who was living at Moorbrook off Granby.

ST BARNABAS CHURCH

Many thanks to everyone who contributed to making the Summer Party so successful, in spite of the poor weather. It could not have happened without you. The Party raised **£738.80** for the Church general fund, which shows once again the generosity of Bradwell people.

From Saturday August 1st to Saturday August 8th between 10-30am and 5.30pm the Church Exhibition will feature Local Arts and Crafts and a display of wonderful photographs by Castleton and Hope Valley photographic Society. Teas and home-made cakes served throughout. If you have **art or craft work** you wish to display in the Church Exhibition, please bring it to Church during **Friday 31st July from 9.30am**. If you haven't displayed your work before, please consider doing so this year. If you need help with transportation, speak to anyone on the PCC and we will arrange it.

Gala Service: Sunday 2nd August 9.15am, Blessing of Wells: Sunday 2nd August 7pm, Open Gardens: Saturday 8th August, Gala Praise: Sunday 9th August 3pm in the Church grounds.

BRADWELL ROVERS JUNIOR FC

Congratulations on becoming a FA Chartered Standards Club. Over the past few years, the committee, managers, coaches and volunteers of the club have been working very hard to try to raise the standards so as to meet the FA criteria for a Chartered Standard Football Club. As part of the Charter Standard, each team within the BRJFC must have a manager or coach

qualified to at least FA Level 1 coaching standard. Well done to C Baker, M Riley, R Sellars, T Stirk, P Trevallion and F Wildgoose on achieving their FA Level 1 coaching certificate, which also incorporates First Aid and Child Protection qualifications. A big thank you to all as without you giving up your time we would not have been able to gain this status. At the same time a lot of work was being done behind the scenes, ensuring all the relevant rules and policies of the Football Club were updated to meet the charter standard criteria. Not only was a commitment required from the managers and committee to abide by all rules and procedures, but also every player, parent and supporter had to commit to these rules and procedures. Also the club welfare officer, D Hobson, had to ensure everyone involved in coaching / working with the children was FA CRB checked. The Chartered Standards co-ordinator, L Bates with the help of the committee will complete the annual health check so that we can continue as a Chartered Standard Club and L Sellars, our volunteer co-ordinator, will be encouraging new parents to become actively involved with our club.

All this was achieved in Spring 2015 – Well Done to everyone concerned! So what does the Charter Standard mean for current and potential new players and parents in the future? The following statement written by Sir Trevor Brooking sums it up. "The FA Charter Standard Programme provides recognition that clubs are well run and sustainable, with child protection and safety paramount. It also recognises a club's commitment to coaching, player and coach development, and the raising of standards of behaviour in the game - all of which are big priorities for both me and The FA. The programme provides a benefit for everyone in the game, The FA, County FA's, coaches, volunteers, parents, but most importantly the players. So thank you for everything you do to develop the game and the very best wishes for the future." Sir Trevor Brooking Director of Football Development.

As a Junior Football Club, our aim is to provide quality coaching and league (and non-competitive for the under 10's and below) matches for boys and girls (hopefully if we can be successful in our goal) in the local community and help them to improve their football skills. The most important point though, is to allow them to participate in an enjoyable and safe environment. The welfare of every child within the Football Club is and must always be of paramount importance.

BRADDA DADS

DUCK RACE: This year's race is, as always, on the Monday of Wakes week before the children's street fair. Ducks begin racing at 7.00PM. Tickets are for sale in the Bakehouse, Post Office, from any member, or outside the Co-op for three Saturdays before the race. If you forget, buy on the night from 6.15PM while the brass band play!

THANK YOU

Norma Archer would like to thank her family and friends for all the birthday cards and gifts she received, and also the wonderful party which made her eightieth birthday such a memorable occasion. Much love and thanks to you all.

Many thanks to the small band of WI helpers who have replanted the tubs again for the summer. We appreciate those residents who live close by and keep an eye on them and give them a drop of water when required as well as us.

CENTENARY PLAYERS

Here we are again, getting ready to plan for Bradwell's next pantomime. After another successful AGM, with newly elected officers we are reflecting on our past successes and looking forward to entertaining you all again in 2016 - how far away does that sound? You'll be pleased to hear that the electrical difficulties we experienced this year have now been resolved. However, the impromptu Saturday night performance in the White Hart was rather unique and completely baffling to visitors who had popped in for a quiet drink and found themselves in the middle of the second half!! If you would like to find out more about us then please do not hesitate to give me a ring. I am Julie Mackenzie (Chair 620744) or email our new secretary Angie angiemorrisroe@gmail.com. Watch this space for the announcement of our next production in the meantime has anyone seen those pesky dwarves.....!!!

THE SAMUEL FOX INN

Things are really buzzing at the Sam Fox. The Inn received two awards at the prestigious Baldwin's Omega Restaurant in Sheffield on 8th June when it won the Sheffield Westside Restaurant of the year 2015 and Westside Best Pub restaurant awards. Also, Andy Lynam, apprentice chef at the SFCl, has been named as Buxton College Catering Apprentice of the year for 2015.

CORRECTION

In Graham Revell's obituary in the June newsletter his name was unfortunately misspelled. We apologise for this error.

CHURCHYARD TREES

Following a recent inspection of two churchyard trees by a Peak Park professional and qualified tree hazard inspector it was unfortunately discovered that one tree showed irrefutable evidence of an infection of Honey Fungus. This disease causes extensive rotting in the butt following the death of the roots and collar. A neighbouring tree was also in poor condition. As the development of the disease is unpredictable and may compromise the structural stability of the trees, the PCC came to the decision that they had no alternative but to follow the Peak Park Health and Safety advice and to go ahead with the recommendation to fell them as soon as possible. This took place on 9th and 10th of June and evidence of Honey Fungus could be clearly seen. The tree surgeon reported that there were no birds' nests in the branches, which had concerned some church members. Thankfully the disease hadn't spread throughout the centre of the trunks so these were planked by Patrick Turk, a Master craftsman and cabinet maker (seen recently in Sherwood Forest on Country File) and will be used to make fine pieces for his Forest2Furniture collection. Our neighbours at Lyndale House and various parishioners were donated the felled logs.

REBELLION KNOLL WI

Not to be outdone by the official WI Garden Party in Buckingham Palace we decided to have our own Garden Party in Bradwell. OK, the weather could have been kinder. Heavy rain and powerful winds forced us indoors but we pulled out all the stops, bedecked our hall in colourful bunting, dressed to the nines and had a delightful time sipping Pimms, eating strawberries and cream and tucking into a piece of scrumptious fruit cake made from the WI's traditional recipe.
