Advance Notice: Main Road is closed from 1:45pm for Carnival on 5th August

EVENTS

Tue 18: Historical Society: 8pm in the Methodist Hall. "An evening viewing videos of interviews recorded for the After Seth project"
Wed 12: Rebellion Knoll WI: "Strawberries and Pimms" in Jill Salisbury's garden: 6pm

YOUTH ACTIVITIES REPORT

On Monday 15th May our group of 11 young people abseiled down Miller's Dale viaduct. Although the weather was awful the group were in high spirits. I think the maths teacher would have been impressed when two of the group abseiled singing mathematical equations. The group are building confidence and applying team work. One of them was a little unsure about participating, but she was persuaded by her friends in a very positive, discreet way. So she did participate, to the great delight and cheers of her group, and then ran back asking for another go! Next activities are weaselling on 19/6 and canoeing/raft building on 10/7. Well done everyone.

WASTE DISPOSAL CHARGES

We have been advised by District Council that the charges for certain types of waste disposal at recycling centres, which had been imposed have been removed. The previous policy of accepting free of charge a maximum of two 25Kg sacks of building and demolition waste has been reinstated. Concern had been expressed about fly tipping if charges were made.

ST BARNABAS ARTS & CRAFTS EXHIBITION

The exhibition this year runs from Saturday, August 5th to Saturday, August 12th from 10.30am to 4.30pm daily. It will feature local arts and crafts, with teas and delicious homemade cakes also available in the church. We very much welcome anyone who would like to display their work this year, whether or not you have displayed it before. People come from far afield to see this exhibition and always comment on the wonderful talent there is in Bradwell. If you have art or craft work to display, please bring it into church on Friday, August 4th between 9.30am and 5pm. If you need help with transportation or have any queries, please ring Lynn on 620329.

HOPE VALLEY RAIL USERS GROUP

The annual meeting was held at Hathersage Memorial Hall venue on 17th June. Vicky Cropper the Northern 'Community and Sustainability Manager' outlined general plans for the franchisee's future, although detail for the Hope Valley line was sketchy. She was receptive to issues raised by the audience concerning such items as disabled access, through ticketing issue problems, quality of station buildings(shelters) ,etc. The good news is that the HVRUG objectives for a 7 day hourly stopping service are likely to be more closely achieved in the May 2018 timetable, albeit with a random station stopping pattern due to line capacity restrictions. 'For consultation' details of this timetable show extra weekday services for Hope, with 3 eastbound and 4 west, plus a later weekday 11.26pm service from Sheffield! There will be a gradual introduction of refurbished trains, with the end of the 'Pacer' class in two years time. Representatives of 'Friends of Station Groups' outlined their local progress. Hope is the only intermediate station on the route without a 'Friends of station group'. An opportunity for someone with vision, time and patience to get things going surely?

PARISH COUNCIL NEWS

Council Finances: The council's 2016/17 accounts have been produced and approved by the internal auditor. Grant Thornton has again been appointed by the Audit Commission to carry out a review of these accounts and the forms required for this process have been completed. Council has approved the overall Governance and the Accounting Statements and all forms have been sent to Grant Thornton for review. It is expected that this will be completed by the end of September.
Quarry: The purchaser's solicitor has asked Council to provide additional information about the quarry and to register the quarry with Land Registry (a process which could take many months). Council has responded to this request.
Car Parking Committee: Take-up of the parking bays on Soft Water Lane continues to increase and most are now taken. This committee has met with a DCC Highways officer to review the feasibility of upgrading a number of locations around the village to provide additional parking. In some cases the suggestions are to 'harden' selected verges by levelling them and then installing suitable surfacing. The DCC response to these suggestions is now awaited. In addition, this committee is continuing to work with other bodies to investigate additional possible parking opportunities.
Community Resilience committee: Additional supplies of materials (sand-bags, floodsacks, traffic cones) have been installed in the new secure storage facility near Town Bottom ready for use in an emergency situation. It should be remembered that a) this committee will endeavour to alleviate problems until help arrives from the principal authorities (e.g. DCC, DDDC, Environment Agency) and b) householders still must take responsibility for securing their own properties.
Carnival 2017 committee: Planning of Council's part in Carnival (the parade and the fair on Beggars Plot) is proceeding well. If you would like to become involved in the planning and running of carnival (new members, ideas and suggestions would be very welcome), then please contact the Parish Clerk for details. The annual removal of rubbish and weed from the Brook is planned to take place on 8th & 9th July in advance of Carnival. This not only improves the area visually, but it also allows Bradda Dads to run their world famous Duck Race.
Playing Fields and Open Spaces committee: A number of different projects are being considered around the village. Some work has already started in the Rose Garden. Quotations are being sought for work at the Peace Garden (to widen the entrance, improve the entrance surfacing & install a new gate) and to improve the basketball court at Town Bottom. The zip wire at Town Bottom field has now been refurbished.
Toilet Block at Town Bottom: Following the recent meeting with a DDDC official to explore options for the Bradwell toilet block, Council is awaiting answers to questions we asked.

Council Chair (623941) or paul@bradda.org

REBELLION KNOLL WI

This month we'll be meeting for Strawberries and Pimms – so we're hoping for good weather!
Last month we heard from Charlotte Nutting who talked about **Dementia Friends.** Charlotte is a Learning Disability Nurse and Social Worker who lives in Bradwell and teaches at Sheffield Hallam University. She became involved in Dementia Friends after her Grandmother died of symptoms associated with dementia. Charlotte was keen to impress upon us that dementia is not a natural part of the ageing process and, like any other disease of the brain, it can happen at any time, although it is more common in older people. Alzheimer's Disease (which many people believe IS dementia) is actually just one of the 100 or so different types of dementia. By giving these Dementia Friends talks Charlotte is hoping to challenge society's commonly held views on dementia. Dementia isn't just about losing your memory (another commonly held misconception) – it depends on which part of the brain is being affected by the disease and can affect thinking, communicating and doing everyday tasks. Charlotte was keen to stress that it is possible to live well with dementia and that there is more to the person than the dementia. For more about Dementia Friends you can visit: www.dementiafriends.org.uk
The tubs on the main road have now been cleared and replanted with their summer attire, we hope you all enjoyed the spring show!

ANOTHER NEW LOCAL BUSINESS

Based on the Aston Industrial Estate, Parsons Lane, "**Woolfull"** is a new local family business. Call in and see them for wool, patterns and accessories. Their bet is that they have something you haven't seen before, as well as your usual favourites. They hold knit 'n' natter/crochet club sessions on Thursdays from 10-12, 1-3 and 6.30-8.30.
Opening hours are: Monday, Tuesday, Friday - 9-5.30, Thursday 9- 8.30, Saturday 9 - 12.30. Wednesday - closed.

WEASELLING

Is this the latest sport of seeing how many youngsters you can get on top of a rock without using glue!
Well, not really. This is actually our band of intrepid young people who have been down into Bagshaw Cavern and abseiled off a bridge. Now they have tried their hand at Weaselling, which involves clambering through and over rocks on the moors.
Much fun was had by all.

HOME ON LEAVE

The servicemen to visit Bradwell in the next group to be described were:

8694 Private George William Sidebottom (1st Battalion Loyal North Lancashire Regiment). George's biography proved difficult to trace because he was born George William Sidebotham in Bradwell in 1887, but by 1891 the Sidebothams had moved to Saddleworth and the family name had been changed to Sidebottom. By 1911 father Charles Ellis (born in Brough) and mother Emma (née Bradwell, born Great Hucklow) had returned to Bradwell and were living on the Hills. By that time George was stationed in Hampshire having enlisted in the Lancashire regiment in Preston in 1906. Being a retained soldier he was over in France by 12th August 1914.

2nd Lieutenant Thomas Chamberlain Levesley (North Staffordshire Regiment, later with the Lancashire Fusiliers). Thomas was born in Ringwood Gloucestershire in 1891. His father was Sheffield-born Leonard and his mother Annie (born in Berkeley) were both living on The Hills when their son came to visit early in 1918. Thomas was living in Blackpool when he died in December 1963.

M/282956 Herbert Marrison (Army Service Corps). Bert was born in Castleton in 1884 the son of Joseph and Hannah Marrison. In 1901Joseph was shown as living in Burrows Fold in Castleton, when his occupation was given as rope maker. By the 1911 census Bert was shown as helping his father. Bert enlisted in Buxton in December 1915. He left the army in 1918 with a 30% disability benefit. He was stated to be suffering from myalgia brought on by exposure to what appears to have been a poison gas.

BRADWELL AND EYAM SURGERY

A big thank you to all our patients for your patience and understanding in the aftermath of the recent "cyber-attack". Our staff worked hard to ensure that urgent queries and medication requests were dealt with promptly. Thank you to everyone for your co-operation. **Medication requests**. We have a number of ways in which you can request your medication.

- Fill in a request slip and post into the box at Eyam or hand to reception at Bradwell.
- Telephone our medication line: 01433 631628, Monday – Friday 10am-12pm or 2-4pm.
- Email us at: prescriptions.eyamsurgery@nhs.net.
- Patient Access. This is our online system – please ask at reception for more details.
- Fax us on: 01433 631832. Please allow 48 hours (2 working days) from us receiving your request for it to be processed. Please provide us with your name, DOB and first line of address and the medication name, strength and amount required. If any of this information is missing your request will be delayed.

SPORTS CLUB

Bradwell Sports Club have discussed in detail the original format of the Gala Programme over the last few months. It has been decided that its not financially viable, plus the hours of work needed to put it together to continue in its original format. Therefore for 2017 the programme will become a small A5 booklet of 'WHAT'S ON'. Each booklet will be numbered and entered into a raffle at the end of Wakes Week. All events will be included in the diary of events, however village organisations will have been given the option of placing a small article about their individual event for a small charge. Thank you in advance for your continued support. Frank Cooper our groundsman is retiring in August. Frank has been mowing and maintaining the main football pitch and surrounding sports areas for the last 3 + years. He has done an excellent job in keeping the football pitch in tip top condition for our senior and junior teams. We are looking for a volunteer/volunteers who would be able to take on this role. If you have a few hours a week to spare and would be interested in taking on this position please contact bradwellsports@yahoo.co.uk

ST BARNABAS SUMMER FAYRE

Was much enjoyed by everyone. The weather this year seems determined to smile on all of our events, which bodes well for Carnival.

BRADDA DADS

Our new event, the 'Fun Day' on the Town Bottom playing fields, was a great success and extremely well attended mainly due to the souring temperatures and unbroken sunshine. Thanks go to Lynne at the Shoulder of Mutton for the electricity, Direct Charcoal for the donation of Charcoal for the barbecue and Bradwell Ice Cream for their generous donation that was gratefully eaten. We would also like to thank the Parish Council for letting us use the playing fields and their marquee.

DUCK RACE: This year's race is, as always, on the Monday of Wakes week (7th Aug) before the children's street fair. Ducks begin racing at 7 pm. Tickets are for sale in the Bakehouse, Post Office, from any member of the Dads, or outside the Co-op for three Saturdays before the race. If you forget, buy on the night from 6.15 pm

LONG TOUR AND HALF TOUR of Bradwell Fell Races are on Sat 12th Aug, 9.00am and 9.30am starts.

PERSONAL ANNOUNCEMENTS

JOHN DOUGLAS MIDDLETON

Doug sadly passed away in Whittington Care Home, Chesterfiield on 30th March 2017 aged 87 years. He was born in Bradwell on 11th November 1929 the son of John (drummer Jack) and Beatrice Middleton and along with his sisters Dolly and Barbara and brother Garnet, resided at Hill Head, then, following his marriage to Joyce in 1962, at Sydney Cottage Hungry Lane. He was educated at Bradwell Church School and upon leaving school became a farm labourer at Paradise Farm for a number of years. Following this he started working for himself, fluorspar mining on ground above the Pindale quarry near Castleton. He then worked for Hoveringham's at their Outlands Head quarry. Following this he set up working with his uncle to mine fluorspar at Newhall Nook, Bradwell and went on to work as a driller/shot firer for Broadhurst Minerals at Dirtlow Rake. His final occupation, until his retirement at the age of 76, was drystone walling. Doug enjoyed keeping hens, his vegetable garden, shooting and playing dominoes. He leaves his wife Joyce, son Ted, daughters Lynne and Denise, six grandchildren and two great grandchildren. The funeral was held at the Methodist Chapel on Thursday 20th April, followed by burial at the Primitive Methodist Chapel graveyard. The family would like to take this opportunity to thank all who attended Doug's funeral, and everyone for their kind words at the time of his passing.

THANK YOU

A very BIG thank you to Bradda Dads for a really enjoyable day last Saturday (17th June). It was really a wonderful gesture and it gave great pleasure to the two of us to see the children of all ages with their families just sitting, enjoying themselves and playing on the bouncy castle etc. The burgers and hot dogs were fantastic and also Bradwell's ice cream, all provided free from the "Dads". What more could we wish for in these troubled times than to show off the Bradda spirit on a fine and warm sunny day! WELL DONE! Keith & Molly Brett

QUAKER COMMUNITY AT BAMFORD

"Mowing the Meadow" A Week of Gardening 14 – 20 August"
Scything the wild flower meadow, tending the organic vegetable gardens, looking after the pathways through the woods are just some of the activities on this working week in the woodland at the Quaker Community, Bamford. The work is suitable for all ages and abilities. Get to know the community, meet other Quakers from further afield, and learn more about the Quaker way. Each day has a balance of practical work, reflective sessions, meetings for Worship, social time, shared meals and some free time. Food is vegetarian and volunteers help with cooking and clear up. The cost is £150 residential, non-residential is also available. For more information contact us via mail@quakercommunity.org.uk or call (01433) 650085

CARNIVAL 2017

Don't forget that it is Wakes Week starting on 5th August with the parade and events on the field. The theme this year is "Cartoons" which is of course the theme for the Fancy Dress Competition. The competition will be informally judged by "walk around" judges on the field between 1pm to1.30pm for:
Under 4's
Under 8's
Under 12's
Age 12 and over and Groups.
So do come along, dress up, make sure you are on the field and visible between those times - and join in the fun of the day....See you on the 5th August.
