BUMBLE BEES

After my wife and I attended the Bradwell WI meeting on bumblebees in February we decided to count how many types visited our garden. Our list now includes 8 species: The Buff-Tailed, The White-Tailed, The Red-Tailed, The Tree, The Garden, The Early, The Common Carder and a Cuckoo Bumblebee. See them at: bumblebeeconservation.org/about-bees/identification/common-bumblebees

URGENT APPEAL

For many years past Mr & Mrs Wakelin have kindly displayed their photo albums of Bradwell related photos for the interest and benefit of Bradwell residents past and present. They have always generated much interest and enjoyment among residents and visitors alike. Each year some photos go 'missing', but in spite of this the albums have continued to be displayed. Unfortunately, this year two whole albums (one quite a large one) went 'missing' which has caused great upset to Mr & Mrs Wakelin. They are not interested in who acquired these albums, just very keen to have them returned. If anybody knows where they may be please could they let Mr & Mrs Wakelin know, or send a mail to the *Bradwell News*. If you have them could you **please** leave them anonymously somewhere where they can be collected e.g. next to the Chapel door.

YOUR LOCAL CO-OP

Adam, Vanessa and all the team at The Coop would like to thank all of our customers for helping to raise £871 for Bradwell preschool, £948 for The War Memorial hall and £850 for Bradwell Sports Club. This was achieved by you being Coop members and donating 1% of your dividend to The Local Community Fund. This round of causes has now closed but there are three new causes that need your help. And if you run or work for a local charity or know someone who does that would benefit from some extra funding, then please call in the shop, or visit www.coop.co.uk/causes for more information.

THE YOUTH OF BRADWELL

Following the closure of the youth club, a Bradwell Youth Activities scheme was launched in April this year and regular readers will have read of the exploits of our happy band of youngsters. We wanted to bring you up to date with this initiative and to explore whether there are other young people in Bradwell who would like to jump aboard and benefit from what is proving to be a highly successful scheme. Any young people living in Bradwell will qualify and the aim of the group is to *promote team working skills and improve confidence levels*. This is achieved via various sporting challenges, all coordinated and supervised by Edale Youth Hostel specialists. These activities have included caving, abseiling, weaselling and canoeing, and the next planned activity is "high ropes" at Edale Youth Hostel on 25th September. There is then a night hike on 30th October to get into the Halloween spirit. The canoeing brought out their competitive spirit, as well as raucous laughter, and a few interesting songs! We are now working with Edale YH to provide an activity each month, with the exception of August. This is where new members have a chance, because during the winter months we might be able to increase our numbers. If you are interested in joining the winter sessions please watch for posters and updates in *Bradwell News* or call Lorraine on 07746 932381. A special "Thank You" to the group's parents who have delivered their children to the pick up point on time, and taken them home, sometimes slightly soiled, but always smiling.

ORGAN CONCERT

PARISH COUNCIL NEWS

Carnival: As is customary, a committee meeting was held shortly after Carnival to review the running of the event and to start the initial planning for next year. This year's event was highly successful and again the weather was kind to us. Warmest thanks to everyone who contributed, in so many ways, to ensure that everything went smoothly. Thanks also to the Bradwell and visiting Royalty, and to the many groups and organisations for their floats, which contributed greatly to the spectacle of the parade. A bar was provided this year by the CLT. Three village groups organised and benefitted from the street collection taken during the parade and many of the village businesses enjoyed the extra trade generated on the day. Detailed planning of Carnival 2018 will start in January and if you would like to become involved in the planning please contact the parish clerk.

Community Resilience committee: A supply of sandbags and Floodsax are now in the Flood store at Town Bottom, together with other equipment for use in emergencies. The grant money promised by the Environment Agency to cover the cost of these items has been received and a further grant application has been made to DCC to cover additional agreed items of equipment.

Playing Fields and Open Spaces committee: A number of different projects are presently being considered around the village. Some initial work has been started in the Rose Garden and quotations have been received for the remainder of the project. These will be considered by council at their September meeting. At the Peace Garden further work is planned to open up the access by undertaking some tree work. Quotations are being obtained. Work is planned to improve the playing surface of the basketball court at Town Bottom and work is expected to be completed in the near future. The management of the c. 100 trees on council property is being reviewed and some work will be undertaken over the winter months.

Youth Activities: The programme of events organised by Councillor Sowerby and delivered by the YHA Edale Activity Centre has continued over recent months. The most recent activity was a canoe / rafting event at Coombs reservoir and future planned activities are a High Ropes event on 25th September and a Night Hike on 30th October. Further events could also be planned for later this year. A programme of events is being planned for the coming year so watch out for posters around the village.

S137 Grants: Council has topped up the fund of money available to award as grants to village groups / organisations and can now consider applications for financial assistance. If your group would like to apply for a Grant please contact the Parish Clerk.

CARNIVAL COLLECTION

Many thanks to all the people who helped shake buckets and to everyone who put money in them during the Carnival Procession! We raised £567-01 which is split three ways between Bradwell Teddies, FOBS (Friends of Bradwell Schools), and Bradwell Pre-school, each getting £189-00. These three groups were successful in applying to the Parish Council to receive the money from the street collection and thank you to Isabel for applying for the official licence for this collection. A special thank you goes to Glynn who did a fantastic job collecting money, and in his bucket alone he raised £80-64, which is fantastic...THANKYOU!!

BRADWELL TEDDIES

Bradwell Teddies have gone from strength to strength and we now have a membership of over 40 children from newborn to 4 years old. We meet once a week between 9.30 and 11.30am on a Friday morning in the Methodist Church Hall (opposite The White Hart) during term time. There is always an exciting activity for any children who want to take part, and there are also plenty of toys to play with and books to look at. We also provide a snack and drink for the children, all for £1-50. If you are new to the village and just need to speak to someone first then please contact us or check our facebook page 'Bradwell Teddies' for lots more information and to find out what's happening. We would like to thank everyone who put money in the street collection during Carnival Procession. We will be asking our members and parents/carers what they want to spend their share of the money on, and thank you to the Parish Council for letting us have a share of the collection. We hope everyone liked our Peter Rabbit & friends float! Thank you to all the parents who helped build and decorate it and a special thank you to High Peak Heating Supplies for donating the paint and Kate and Neil for letting us use their trailer. Please contact Isabel on 07817660839 for more info.

CHILDREN'S WELL DRESSING

Thank you to all the children who helped petal the children's well and to all the parents/carers who brought them. We had over 40 children throughout the week, many of which revisited more than once, some staying for hours! We have some fantastic young petallers in the village. We were all very excited to have a visit from a Sheffield lady who is 106 years old. She came with her friend, daughter & son-in-law from Edinburgh. She told us they visit every year but usually the wells are already up so she was pleased to see us in action! There is a photo, along with many more on our Facebook page 'Bradwell Well Dressing'. Also, thank you to Bradwell Infant School for letting us use their school and Bradwell Ice Cream for donating ice creams for everyone who took part and came along to the picnic on the Friday...a well-deserved treat!
Thank you everyone for all your hard work, See you next year!!

HOME ON LEAVE

The servicemen to visit Bradwell in next group to be described were:

265337 Corporal Charles Clarke Hallam 2nd Battalion Notts & Derby (Sherwood Foresters) Regiment. In the 1911 census Charles was listed as a 33 year-old rural postman living at Yard Head with his mother Emma (father John had died in 1896). Charles enlisted in February 1915. He left the army in 1919 a year after the death of his mother. He was living on Netherside when he died in 1942. In the parish of St Barnabas' record of Baptisms for 22nd March 1878 his first name appears as 'Giles' but perhaps this is a transcription error.

2nd Lieutenant Arnold Henry Mason 4th Battalion King's Shropshire Light Infantry. Perhaps Arnold could be considered to have had one of the most distinguished careers of all of the wartime visitors to Bradwell. His father William Henry Mason was the Primitive Methodist Minister in the Manse on Brookside throughout WWI. Arnold had been born in March 1885 in Birkenhead, then lived in Cheshire, where his father was minister; his mother was Elizabeth Ann (née Gerrard). By 1911 William's ministry had taken the family to Ludlow, but sadly Elizabeth had died in 1905. In the 1911 census Arnold's occupation was stated to be artist (painter). By the time he enlisted as a private in the Artist's Rifles (London Regiment) in November 1914 he had already acted as an assistant to Sir William Richmond in the internal decoration of the Old Bailey. But it was to be as a portrait painter that he made his reputation. One of his first portraits was completed in late 1918 when now as 2nd Lieutenant he was in hospital in Blackpool. He painted a portrait of Mrs Hearn the wife of his adjutant. While in hospital and believing he might die he married his nurse Nora Settle (to save her from being sent to the front?). The marriage was destined not to last and divorce proceedings were begun in 1920. After the war he joined the Slade School in London and thereafter his reputation grew until he was elected to the Royal Academy (RA) in 1951. He died in 1963 and a notice of his death and cremation, in Mortlake crematorium appeared in the *Times* that year.

THANKS

Many thanks for all your concern, good wishes, cards and baking which I have received after my dalliance with The Grim Reaper. I am well on the way to a good recovery and hope to be back full time in the shop soon. Dick Morley

PERSONAL ANNOUNCEMENTS

MARY ELLEN COTTRILL

18th January 1939 - 24th June 2017

Mary died in Ashgate Hospice after a short illness. She was the only child of Edward and Effie Peck and throughout her childhood she lived at Overdale, The Hills. After leaving Bradwell C of E School, she worked at Bamford Mill and later at Ormes' grocery shop on Netherside. When her children were older, she worked part-time at the Gliding Club. In 1959 she married John (Jonny) at St Barnabas and in 1965 they moved to their newly built house "Moorlands" with their children Peter and Elaine. Mary enjoyed gardening, coach holidays in the UK and abroad and she helped at most fund-raising events in aid of St Barnabas Church. She was a devoted mother to Peter and Elaine, grandmother to Claire, Daniel, Mark, Emma and Matthew and great grandmother to Alex and Kyle. Her husband died in April 2016. The funeral service was held at St Barnabas Church on July 10th, followed by burial in the churchyard.

Thank you

Peter and Elaine want to thank everyone for their cards and kind thoughts at this sad time.

LESLIE SPENCER BRADWELL

Leslie died on June 12th, a few weeks before his 94th birthday. He was the second son of Thomas, a local butcher and grocer, and Louisa Bradwell of Towngate. He attended Bradwell C of E School, leaving at the age of 14 and started work at Earles Cement as an office boy. During the Second World War he was as a wireless operator in the Royal Navy and was one of the last living survivors who served on board the R.N. battle cruiser H.M.S. 'Penelope'. After the war, he returned to work in the offices at Earles Cement. He leaves a son and three daughters, grandchildren and great grandchildren. His

wife, Barbara, predeceased him. The funeral was on July 6th and donations in memory of Les were for Water Aid UK.

THANK YOU

Malcolm and Lorraine Sowerby would like to say a huge thank you for all the cards, gifts, best wishes and support received following Malcolm's fall. The chicken soup from Mr and Mrs Bradwell was just the ticket. Thank you also to Elsie and Debbie who kept appearing with many "aids" to make mobility much easier. What a lovely village in which to live.

Sorry for the delay but our previous note, intended for August somehow got lost! However, may we take this opportunity to say a very big thank you all who attended our Golden Wedding "do", and the many other people who sent cards, presents and congratulations on our achievement! We were truly overwhelmed! it all contributed to us having a magnificent Golden Wedding and party night! Janet and Terry Maskrey.

Over four years ago, Helen Gillham and Carolyn Turner decided to run a community coffee morning in the Memorial Hall. They went on to seek grant funding for the rent and baked delicious cakes for these sessions. Many pleasant mornings have been enjoyed by folk and new acquaintances made. Our grateful thanks go to them for this initiative and we wish them well in their 'retirement'.

A very big 'thank you' - to everyone who helped and supported the Bradwell Methodist Church activities through Gala week. To Terry, Jeannie and Paul Wakelin for the exhibition in the Chapel - to all the ladies who baked such lovely cakes and scones and came to the hall every day to serve the customers - to John in charge of the dishwasher and to our own ladies who worked so hard preparing for the event.
