### BRADWELL NEWS NEWS

Last month we said we were changing printing companies to reduce price and improve quality. We took the step reluctantly because *Greenaway Workshop*, who we have used for years, is a charity. Well, Greenaway took another look at their costs and improved their quality, which you might have noticed in the February edition. They are now also printing in colour, and so we have decided to stay with them after all. This is good news all round and we hope that you will enjoy the new, improved newsletter. Please keep the articles and information coming in so we can all make the most of the improvements.

### YOUTH ACTIVITIES

Monday 12th February our group faced their toughest and most exciting challenge so far "limestone adventure at Stoney Middleton...in the dark!!". They enjoyed the thrills of the natural rock surfaces, combining their caving, abseiling and weaselling skills. As usual there was lots of laughter and team camaraderie, which was needed through the "lowers", and tough climbs. Edale YH leaders said this challenge was hard, but they had supported each other and listened to instructions. The group returned looking really muddy and proud.....and quite rightly so! Well done intrepid explorers. This activity was funded by Cllr Chris Furness (left of group) DDDC local project fund. Our next activity is Orienteering 12/3/18, funded by Cllr Judith Twigg.

### THE BIG HOPE VALLEY LITTER PICK

As part of a John Muir Award local Forest School Leader Ruth Dixon is looking for willing volunteers to help her give the Peak District an early spring clean and pick up the unwanted litter that we see throughout the Hope Valley. On **March 4th** volunteers are asked to pick up litter along their chosen favourite Hope Valley walks and footpaths.

Meeting Point:

**12.00pm Castleton Visitor Centre car park.**

Where you can meet Ruth, collect bags and gloves and co-ordinate walking routes.

End Point:

**4.00pm at The Little John car park**

For a photo shoot, drop off litter bags and enjoy a well-deserved drink at the pub.

To find out more about Ruth's John Muir Award journey please see her website and weekly blog: [fourseasonsinthewhiteandthedarkpeak.wordpress.com](http://fourseasonsinthewhiteandthedarkpeak.wordpress.com)

## PARISH COUNCIL NEWS

**Grit Bins:** As the wintery conditions continue, ensuring the grit bins remain available for use is very important. The bins have been filled again following the last audit. If you notice any in your area are empty please contact the Parish Clerk on [parishclerk@bradda.com](mailto:parishclerk@bradda.com) in order for them to be refilled.

Thank you to all the residents who have signed up as snow wardens. There is always a requirement for more volunteers so if anyone is interested please contact the Parish Clerk.

**WW1 Centenary Commemoration:** A national and international event marking the Armistice is planned for the night of November 11th 2018. The parish council is investigating a bonfire to celebrate the occasion which would be lit, along with around 1,000 others, at 7p.m. to mark the occasion.

**S137 Grants:** As was reported in the last newsletter the time for applying for an S137 grant for this financial year is growing to a close. Any organisation, club or society wishing to apply for a Grant must submit a fully completed application form and send it to the Parish Clerk before the end of February.

**Rose Garden:** We are looking for some volunteers to become "The friends of The Rose Garden". The garden is becoming a trap for rubbish that has been blown in from the surrounding area. Friends would keep the garden tidy and remove the rubbish on a regular basis. If you are interested in assisting with this task can you please contact the Parish Clerk. This is a lovely area and it would be a pity for it to become untidy. Thanks in advance.

**Bradwell Edge Bridle Path:** The bridle path up to Bradwell Edge is very overgrown in places and not of the required width. Work continues on the refurbishment of this path, part of which is to change the route of the bridleway back to its original route. There is a lot of work to be undertaken so it will take some time to complete.

**General Data Protection Regulations (GDPR):** The audit of the Councils compliance took place in February. However, as Council holds very little personnel data the work required to ensure compliance is not onerous and will be completed as soon as possible. Some of the work involves reviewing the email addresses for councillors, tidying retained Neighbourhood Plan documentation and appointing a Data Protection Officer.

**Dog Fouling:** Unfortunately, this continues to be an issue in some areas. There are bins in various locations in order for owners to dispose of the mess. Look out for bins marked as dog bins to dispose of your dog bag. If you cannot find a dog bin, then place it in a normal litter bin. Signs have been put up to advise owners that they need to properly dispose of their dogs mess. Ideas to improve this issue would be welcome.

**Lead Thefts:** We have been contacted by PSCO 12747 Ian Phipps asking people to be vigilant as there has been an increase in lead thefts from Churches again. If any one sees anything suspicious please ask them to call it in via 101.

**Public Participation:** Residents continue to attend council meetings to raise matters of concern directly with Council. We welcome members of the public at both the main council and all committee meetings. Council meetings are generally held at 7:30 p.m. on the first Tuesday of most months in the Methodist Lounge on Towngate. See the parish notice boards (on the side of the Memorial Hall and in the Peace Gardens bus shelter) for meeting announcements and agendas.

## BRADWELL WELL DRESSINGS

Further to the flyer that went out last month, to which I'm happy to say we have had a number of people respond, there is to be a public meeting to ensure the future of the well dressings on 23rd March, at 7:30pm in the Small Room at Memorial Hall - entry via back door and kitchen side door.

## THANK YOU

Barry Fletcher and family offer sincere thanks to the many, many people who sent letters and cards and gave, and are continuing to give their support following Joan's passing. ## BAMFORD QUAKER COMMUNITY

### Hun Yuan Qigong Weekend: 29<sup>th</sup> March-3rd April

Try something different this Easter- learn a Mind-Body practice that can change your life. This retreat teaches **Hun Yuan level 1 Qigong** exercises which are suitable for beginners and intermediate practitioners. The exercises derive from a collaboration between Master Ma Bao Guo of Beijing and Master Chris Chappell of 'The Institute of Contemporary Qigong' (website <http://www.realtaoism.com/>). The movements of Hun Yuan Qigong train body and mind to release soft tissue adhesions and habitual tensions. They massage the internal organs, stimulating hormone secretion; develop balance, coordination, strength and flexibility throughout the soft tissue and joints. Each exercise is based on a shrink and grow principle, moving from the core of the body, within the natural alignments of the body, balancing oppositional forces to produce a 'tensegrity'- a springiness that enhances the joy of movement throughout an individual's life. The set is taught by Mark Adams a certified teacher of Hun Yuan Level 1 since 2013 and a Qigong and Bagua practitioner since 1999. For details, please contact [mail@quakercommunity.org.uk](mailto:mail@quakercommunity.org.uk) or tel. 01433 650085

## HOPE VALLEY RAIL NEWS

A decision has been made to authorise the construction, maintenance and operation of new passing facilities and associated railway infrastructure on the Manchester to Sheffield Hope Valley route at Bamford and Dore. The work is part of Network Rail's Northern Hub programme. The decision was made by the planning inspector and the works should improve the service for both local and fast train services. All that is needed now is a timeline from Network Rail, but it is likely all the train companies will now be lobbying. There will also be a new, improved train service from Hope from 1st May but the new link is needed if we are going to get further improvements to the service.

## PERSONAL ANNOUNCEMENTS

### DOREEN ANDREW

Doreen died peacefully at home on November 4th 2017. Born on 18th June, 1932 at Overdale, The Hills, she was the younger daughter of James and Agnes Bradwell. After leaving the village school she worked for Blakeley's of Aston Lane and later for David and Janet Broome in their newsagents shop, initially in Church Street and also after the business had relocated to Netherside. She married Bill Andrew at the Methodist Church in 1953 and they lived with her mother on Bessie Lane before moving to Barnstone Cottage, The Green, where they raised their daughters, Julie and Edwina.

Doreen enjoyed walking and holidays in the U.K. and abroad, including visits to Julie and Michael in Australia. She was a member of the W.I. and the Methodist Church; she helped with Meals on Wheels; she was a trustee of the Ebenezer Charity and had been a member of the Parish Council.

For the last 6 years of her life, Doreen had Alzheimer's but was able to stay at home, looked after by family, friends and carers. She leaves daughters Julie and Edwina, sons-in-law Michael and Pete and grandson Martyn. Her husband Bill and sister Verna predeceased her. The funeral, followed by burial, was at Bradwell Methodist Church on 15th November, 2017. Julie and Edwina would like to thank family and friends for all their support. Thanks also to Paul Tanfield and the Reverend Richard Towle.

### JOAN ANNE FLETCHER

Joan was born in July 1947 in Derby, to George and Dot Cripps. When she was three days old she was moved to the family home in Hathersage. She won a scholarship to Notre Dame School in Sheffield at the age of 11 and on leaving

school she worked for Williams Deacons bank. This led to her meeting Barry Fletcher, a Bradwell man, in 1964. They married in June 1965 and lived for a while in Bradwell, before moving to Sheffield. Joan was the proud Mum of daughter Anita and son Mark, who tragically passed away in 1998. She was very much a people person and whilst living in Sheffield,

she worked in a doctor's practice, for Sheffield Marriage Guidance and in a veterinary practice. For more than 10 years, she was a volunteer at St. Luke's Hospice. She was practical and creative and was accomplished in knitting, cross-stitch, crochet, baking and cooking. She loved animals and nature and despite having long-term spinal problems, she walked her dogs and fed the wild birds every day, even when this became more difficult. Sadly, Joan passed away at home on December 26th 2017. Her funeral service was held on January 18th at Hutcliffe Wood Crematorium. She will be dearly missed by Barry, Anita, grandchildren, Gemma and Adam, other family members and many friends.

### RONALD LEIGH

We are sad to report the passing of Ron at the end of December 2017. He was in his mid-eighties and died suddenly at his home in Far Hill, where he had lived for many years. He enjoyed going for long walks, usually accompanied by his beloved Jack Russell terrier. A funeral service was held at Chesterfield Crematorium on January 26th 2018.
