BRADWELL HILL BILLY

As many of you probably now know there is a Sportive Cycle Ride on the 24th June that is run by the Preschool and raises funds to support the running costs of the school. This helps us run an affordable Preschool for families in Bradwell and surrounding areas. This year is the 5th year for the event and we really want to make it an exciting day for the community as well as a great bike ride for the riders. We have many committed people who help make this event a success and each year and as new parents come along we try to increase our army of volunteers. Bradda Dads help with car parking, but this year we need more volunteers than usual in order to make this event a celebration for the whole community. If there is anyone out there who has time to come down and help on the day or help organise some of the side attractions we would very much like to hear from you. We also need a talented team of cake bakers, willing to bake before the day and create a supply of scrumptious cakes. Do you love baking? If so, please help support us by donation of cake. We also hope to be able to offer a burger and a beer and need volunteers to help serve these! If you are interested in helping, even if you can only do a few hours on the day please contact Sally at the Post office or Laura Mannion on 07772297738

ST BARNABAS LENT LUNCHESES

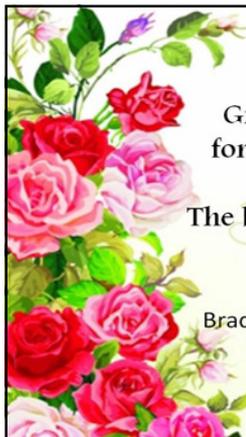

Over the last five Mondays we have been serving hot home-made soup in the church and have raised **£570** for the Weston Park Hospital Cancer Charity.

A big thank you to everyone who helped – the people who generously made the soup, the people helping to serve and everyone who came along and enjoyed the lunch with us. We'd also like to thank the Co-op in Bradwell for very kindly donating the bread and the milk. Well done everyone.

PARISH COUNCIL NEWS

Grit Bins: Due to the amount of recent snow the grit bins have been filled again - the third time this winter. Just to remind everyone these bins are provided to grit the pavements and roads. They are not intended for private driveways.

Snow Wardens: The parish council extends thanks to all who volunteered as snow wardens. Your hard work, gritting pavements and local roads, has made life easier for everyone.

Rose Garden: We are still looking for volunteers to look after the garden. Unfortunately the wind does blow rubbish onto this area so any help would be most appreciated.

Carnival 2018: Planning of the Councils aspects of Carnival 2018 (the fair on Beggars Plot and Parade) has begun. Carnival this year is on Saturday 4th August with the theme of 'Movies'. The bands and stalls are being booked at the moment and if anyone would like to help with planning or to offer new ideas, we would be delighted to hear from you. Please contact the Parish Clerk (parishclerk@bradda.org or call 623487) or attend the next meeting. Meeting notifications are posted on the notice board by The Memorial Hall and in The Bus Shelter by the Peace Gardens.

S137 Grants: Council awarded two grants this month - to Bradwell Bowls Club and Bradwell Sports Football Club. These grants are available to help support any organisation, club or society which operates on a 'not for profit' basis. The funding must be used for the benefit of the residents of the Parish of Bradwell, Derbyshire. Any organisation, club or society wishing to apply for Grant Aid must submit a fully completed application form, available on the Bradda.org website.

Annual Parish Meeting: The Annual Parish Meeting is the opportunity each year for the parish council, plus representatives from other authorities, to report to residents on the past year. Also, village organisations highlight their achievements and the challenges they face. The APM this year is on Tuesday 24th April in the Memorial Hall, Netherside. There will be nibbles & refreshments from 7 p.m., with the main proceedings starting at 7:30 p.m. If your group would like an opportunity to raise any issues with the village, then please contact the Parish Clerk. This is a village meeting for Bradwell residents, so you are all warmly invited to attend.

BRADWELL AND EYAM SURGERY

We'd like to take this opportunity to say a huge thank you and very fond farewell to **Kim Daggett**, our **Practice Manager**. After 14 years of loyal service to the practice, Kim has taken retirement. She has been a huge asset to the surgery in her time as manager and is highly regarded and respected by all the staff. We will all miss having her around. In her time here she helped to build the strong team of colleagues we have at the surgery today. Although Kim will be missed we will continue to provide the great service that we always have done.

We would like to welcome our new joint Practice Managers, **Cassie Jackson** and **Martin Middleton**, who will work with Dr Goodwin to run Bradwell and Eyam Surgery.

BRADWELL GUIDES

We do not very often shout about our achievements, but feel our news is worth sharing on this occasion. Well done to all our guides on their achievements over the last twelve months. Huge congratulations to Allie, Amy and Emma who completed their Baden Powell Challenge - which is the highest award a Guide can achieve. They had to complete ten clauses (tasks) that had them trying new things and pushing their boundaries. It can take 12 to 18 months to complete the Award, but their amazing, all-round efforts were recognised on completion and they had many adventures on the way. Alongside this they and the rest on the unit have gained their **Individual Challenge Badges**, representing their commitment to guiding. There are four Guide Challenge badges and each takes 12 months to complete. This year we will be camping at County Camp at the end of July. The girls are really excited by this adventure and will send a report of their camp later in the summer.

We would like to thank the girl's parents for their continued support, Lynn at the Shoulder for our Christmas treat and Bradda Dads who have helped with funding some of our activities in the past.

We are an activity unit and are always on the lookout for new activities to try. If you have a skill that you can share with the girls please contact Debbie debhob10@gmail.com or Jude judewildgoose@gmail.com

DAVID JAMES WILSON

David was born on Christmas Day 1931 and was brought up with his two brothers, Ben and John, at Town End, Bradwell. He attended the village school and began work at the age of 14 at Earles Cement in the role of "office boy". He completed his two years National Service with the Pays Corps and chose to be posted overseas. He never forgot his time in Egypt and

this was one of the memories during his illness that he would recall and tell his family and friends of his time there. On returning to civilian life, he went back to work at Earles. When he retired in 1987, he was the Stores Manager. In 1955 David married Molly Johnson and they had two children, Tim and Jayne. They were also proud grandparents to James, Jessica, Katie, Beth and Will. David took a lifetime interest in the community of Bradwell; this is reflected in the numerous organisations with which he became involved and to which he gave his total commitment. He was Cub "Akela" for many years and created unforgettable memories for lots of boys in the village - walking up Bradda Edge in the snow, trips to Gilwell Park Camp in London, camp fires with burnt sausages! He was also a founder member of "Bradda Ten" (now Bradda Dads), Chairperson and member of the Parish Council; other committees included Memorial Hall, Junior Football Club, Historical Society, Gala Week, the British Legion and he was a trustee of the Samuel Fox Charity. David will be missed by so many and the family would like to thank friends and neighbours who helped him during his illness - in particular, Pat and Albert Repton, neighbours on Bradwell Head Road, Debbie Moseley and most recently, the wonderful staff at Haddon Hall Nursing Home, Buxton.

The family would like to thank everyone involved at the funeral on February 8th, the Rev. Sue Ives-Smith and Paul Tanfield and his team from J.E. Nouch. David would have been proud and touched by the send-off he received.

REBELLION KNOLL WI Quarterly Update

January: Andy and Rosy Smith entertained with tales of their adventures in Greenland and Svalbard.

31st January met at the Old Hall Café, Hope for coffee, cake and chat. First of planned monthly visits to cafes in the area. Everyone welcome to join us! Look out for posters in Post Office giving details each month!

February: On Valentine's Day enjoyed informal evening of play-readings - an amusing rendition of 'The Nursery School' by Joyce Grenfell, a comical dialogue of instructions to fix a computer/heart and a play 'The Birth of Womankind' ably read by ten members. Feedback/ discussion enjoyed afterwards.

During Pantomime Week, members/helpers served refreshments at the five performances.

March: Gail Wetherhead from the National Trust talked about The Derbyshire Badger Vaccination Programme. Lots of interesting information about badgers, the Programme and bovine TB.

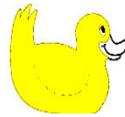

Meanwhile, knitting needles have been working overtime! Twiddlemuffs (used as a therapy aid) made by members have been given to the Rehab Units on Eastwood Stroke Unit and the Dementia Ward at Chesterfield Royal Hospital. Also, members and friends have knitted 'bonding squares' for the Neonatal Unit at St Thomas's Hospital, Westminster Bridge after their recent appeal on social media. Two large bags of items collected and donated to The Elms Project in Derbyshire (helping victims of domestic and sexual abuse). New members always welcome. Please join us on the 2nd Wednesday of the month in The Methodist Hall, at 7.30 pm.

SPRING COFFEE MORNING

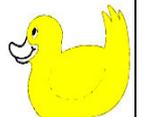

St Barnabas are holding a **SPRING COFFEE MORNING** in Church on Saturday April 21st from 10 -11.30am. Cakes, Tea, Coffee and our ever popular Raffle as we welcome in the warmer weather. Do come and join us.

BRADWELL SPORTS CLUB

The Club was established in 1947 with the purpose of providing sport for all. It continues today with the facilities of a pavilion, full size football pitch, a Multi Use Games Area (MUGA) and bowling green. It is run by a small committee who take pride in seeing the facilities used and enjoyed by all. We need new committee members to bring fresh ideas of how to continue and enhance this great facility. It wouldn't involve a great deal of time and you would be most welcome. If you are interested in joining us or want more information please ring Debbie 07805473202 Hilary 07813734366 or Lorraine 01433 620060 or bradwellsports@yahoo.co.uk

BRADDA DADS

We would like to pass on our condolences to the family of David Wilson and thank them for the very

generous and kind donation to Bradda Dads made by family and friends in his memory. One of our biggest fund raising events, the Wolfspit Fell Race, had to be cancelled this year due to the Beast from the East! Our next fell race is the Long and Half Tour of Bradwell on the last Saturday of carnival week. We are very short on numbers for this event and we're looking for any willing volunteers that would be prepared to give a few hours to help with anything from catering to marshalling. Please contact a Bradda Dads member if you can help us. This month we have been able to contribute to the cost of cutting the grass on the sports ground and pay for the Guides to go to Alton Towers.

PERSONAL ANNOUNCEMENTS

KATHLEEN DUNGWORTH

Kathleen died on 2nd February 2018 at the Northern General Hospital after a short illness. She was born in Liverpool on 19th October 1918 to Margaret and John McCormick. After leaving school she worked in the Liver Building and for Littlewood's Football Pools before becoming an auxiliary nurse at Liverpool's Walton Hospital.

Here, in 1944, she met Alan, a wounded soldier. They married in 1945 and lived with Alan's parents at Mill Cottage, Brough, before moving to 1 Brough Cottages, where they spent the rest of their lives. Kathleen later worked in the Castleton gift shops, where she made life-long friendships. She was involved with Our Lady of Sorrows R.C. Church, Bamford, where she helped at garden parties, bazaars etc. when she was more able. She had enjoyed going with Alan on continental coach holidays and liked experiencing different cultures. Relaxing with a good book in her garden next to Bradwell Brook or watching the wildlife that visited her garden gave her a lot of pleasure. Her siblings and Alan predeceased her. She leaves son John, daughter-in-law Pat and granddaughters Christina and Michelle. They would like to thank everyone for their sympathy and all at Hope Careline for their support.

ALBERT BRADWELL

Albert was born on September 29th 1931, on The Hills. He was the only child of Arthur and Annie Bradwell and for nearly all his life he lived in his neatly-kept cottage in Towngate. After leaving the Council School in 1945 he worked briefly for Der-

byshire Stone at Pindale. He then moved to Newburgh Engineering, where he served an apprenticeship which included study at night school three times a week. From 1950-52, he did his National Service, stationed at Bicester, near Oxford, where he worked in the catering corps. On his return to Bradwell, until his retirement in his late fifties, he was employed at the Derwent Valley Water Board in the forestry section, planting out new trees around the reservoirs. Albert's main interests were walking, cycling and cars. An old Ford and an Austin A40 were two of the first cars he owned and Manchester's Belle Vue, with its Big Wheel, was a favourite destination. He also enjoyed holidays in his camper van. As he grew older his pushbikes were replaced by battery powered ones. Albert never fully recovered from a fall in August 2017 when he broke his hip. After several more falls and a brief stay in Moorland House he became ill and was admitted to the Northern General Hospital, where he died on Christmas Day. A memorial service was held at the Methodist Church on 22nd January. Albert had once needed to be rescued by life-boat and donations in his memory were for the RNLI. The family would like to thank Albert's friends and neighbours who attended the service and for their donations.

THANK YOU

Stanley and Mary Bradwell say a big 'Thank You' to friends for their help during the recent bad weather. To Josephine, to Bruce and Sharon, and especially to Glyn for bringing the newspaper every day.

CONGRATULATIONS

Bradwell Brownies send congratulations to Mrs Helen Hitch on gaining her Adult Leadership Qualification. She now takes over the role of Brown Owl for Bradwell Brownies and we wish her lots of fun and happiness in the role.
