Carnival Day is Saturday 3rd August. See you there!!

EVENTS

Wed 10: Rebellion Knoll WI: "Strawberries and Pimms" in Jill's garden: 7:30pm

Tues 16: Historical Society: 7:30pm in the Methodist Hall. 25th anniversary meeting. See notice on this page.

HISTORICAL SOCIETY

To celebrate its 25th anniversary Bradwell Historical Society has arranged a special event for Tuesday 16th July. Andrew Judge will be revealing his choice of Desert Island Discs and talking about his life in Bradwell. The programme will be followed by refreshments. The event will take place in the Methodist Hall and will begin at 7.30 pm.

MILLER FAMILY

Does anyone know anything about the family of James Taylor Miller and Louisa Miller, who lived in Smalldale in the 1910s to 1920s and are buried in the Methodist Church graveyard? If so, it would be interesting to hear from you, as we are researching family history. They were my wife's great - grandparents, and she has some old photographs of her mother visiting the family in Bradwell in the 1920s. We think that they probably lived in the building that is now called 1-3 The Firs. Their daughter, also named Louisa, later married Jonathan Leslie Ashton and lived at Creswell Knoll in Smalldale.

Robin Oakley (in London): oakley@easynet.co.uk

NEIGHBOURHOOD WATCH

A new Neighbourhood Watch is being set up in Bradwell. The scheme is being coordinated by Jayne James and Stewart Adshedd. Eighteen street wardens have already been approached and they have agreed to be points of contact to cover all areas of the village. A meeting will be held on 11th July at 7pm in the Methodist Hall on Towngate, where the NHW District Coordinator and two police officers will answer any queries regarding Bradwell NHW. We hope that this scheme will make our village safer and more secure, but this can only work if enough residents support it. Let's all pull together to keep the Bradwell community secure.

ST BARNABAS SUMMER FAYRE

Thank you to everyone who came along to our Summer Fayre. Although it had to be inside the church instead of outside, due to the inclement weather. It didn't dampen our spirits and was a very enjoyable afternoon. A special thank you to everyone who helped - well done!

A SPECIAL THANK YOU

I would like to say a huge thank you for the many beautiful cards. I have been overwhelmed with the amount, with such comforting words and all the beautiful flowers whose perfume fills the house. I have a wonderful nurse in my daughter Carol and family and support from wonderful friends who visit and which gives me much pleasure. May God bless you all.

Betty Bradwell.

WAR MEMORIAL HALL COMMUNITY ACTION PROJECT WOW! WOW!! WOW!!!

More than 25 local groups have requested to showcase their activities at the CAP event. Don't miss the opportunity to get to know these wonderful people who organise so much for you. Come and see what this village has to offer its local residents. A FREE EVENT FOR ALL AGES.

The hall doors will be open from 10:30 am to 3:30 pm each day and refreshments will be available.

CARNIVAL PROGRAMME

Many residents commented that it was unfortunate that there was no Carnival programme last year. Well, a village group has listened to the feedback and decided to produce one this year, albeit in a more simple format than previously. The programme will be a 4-sheet booklet, but will contain all the key events and times. The plan is to have supplies in most retail outlets in the village and also in Castleton. A nominal charge of 50p will be made and all profits will go towards helping the team fund programmes for next year. Please support Carnival by buying a programme, and we do hope to see as many residents as possible enjoying what promises to be another super village day. Don't forget that the people preparing the field and marquees are always very pleased to have help. Just turn up to help. If you feel like pitching in, just ask the Parish Clerk or any councillor how and where you can help on the day.

PARISH COUNCIL NEWS

Council Finances:

The 2018/19 accounts have been approved by the internal auditor. Council has approved the overall Governance and the Accounting Statements, and these will be posted onto the village website. The same external auditor as previous years - PKF Littlejohn have been appointed and they will carry out a review of the accounts. The forms required for this process have been completed and it is expected the audit will be completed by the end of September.

Council Committees:

Council have reviewed all committees and decided that some should be combined. Chairs were appointed to all committees and a list of all the committees and members have been posted to the website. As with all meetings members of the public are very welcome to come and participate. Time is allowed at the beginning of every meeting for public participation. Notifications of the meetings are posted on the village notice boards in advance.

Parish Council:

There are currently two vacancies on the Parish Council, so if you are interested in joining please contact the Council Chair clldowning@bradda.org or the Parish Clerk at parish-clerk@bradda.org. This is a great opportunity to join a proactive council and we would welcome new team members.

Carnival 2019:

It is getting close to carnival time on Saturday 3rd of August and the organising is going very well. Road closures have been applied for and all premises along the carnival route have been advised. We are still looking for help in a number of different areas e.g. stall organizing, marquee erection, road closures, judges for different events and general help on the day. Please let us know if you can assist and we hope to see you at Carnival

Bus Route:

There have been many instances of buses being blocked by parked cars when driving along Brookside. Council are concerned that these incidents may eventually lead to the bus service being withdrawn from the village. A discussion is taking place with Derbyshire County Council re the feasibility of creating a bus turning area at Dale End. Initial DCC reaction is positive but time will be needed to analyse costs and funding. We will keep you informed as the project develops.

Car parking: There is now one space available to rent at Softwater Lane Carpark. The cost is £25 pcm or £300 annual. If you are interested in renting this space, please contact the parish clerk

Public Participation: We welcome members of the public at both the main council and all committee meetings. Council meetings are generally held at 7:30 p.m. on the first Tuesday of most months in the Methodist Lounge on Towngate. See the parish notice boards (on the side of the Memorial Hall and in the Peace Gardens bus shelter) for meeting announcements and agendas.

Contacts: Parish Clerk (623485) or parishclerk@bradda.org
Council Chair (623941) or paul@bradda.org

BRADWELL WAR MEMORIAL HALL

A History

In her account of the History of the Bradwell War Memorial Hall published in 2011, the late Lillian Riddall tells us that in 1919 a referendum was held in Bradwell. The vote was to help the village decide how best to commemorate the sacrifices of the men of the village in the First World War. The ballot paper allowed for a choice from five options and in addition voters could make a pledge of money in support of the option they chose. The result of the referendum was announced at a public meeting on 25th March 1919. Overwhelmingly the vote was in favour of the building of an Institute or Memorial Hall - 88% of the 276 votes cast, with £697.17.6p being pledged in support of the project (£35,352 in 2018 money). At the public meeting it was agreed that the War Memorial Hall project should be carried forward by a committee of 20 to supervise the process (although in the event 22 were elected!). As the scheme of governance of the Hall evolved the committee came to consist not only of elected members but also of representatives from each of the clubs, societies and other organisations in the village. (Thus in 1986 the Committee consisted of 15 elected members and also the representatives of 16 village organisations.) Therefore, from its early days to the present the War Memorial Hall has been funded and managed directly by the villagers themselves. In addition, especially when big changes were being contemplated for the building, grants from Village, District and County Councils and donations from charities have helped to augment village fund raising efforts. In the early years a big fund raising focus was on Carnival day in August. By 1920 the land on which the Hall was to be built had been purchased. But thereafter the implementation of the result of the referendum got bogged down in negotiations on planning permission and on tenders for building work. Members of the Hall Committee must have become increasingly concerned with the slow progress and in early 1923 they elected a Building Subcommittee with Allen Bradwell as its secretary. They were charged with driving the project ahead even if compromises had to be made over exactly what sort of a hall should be built (a one rather than a two storey building, for example). This Subcommittee was evidently very effective because we know from looking at the Hall now that by 10th November 1923 Frank Mills of Brough had laid the foundation stone. The Hall was duly opened on 12th July 1924 and the 1925 accounts showed that the total cost of building had been £1941.7.11d (£105,062 in present day terms). As the Hall was completed so the General Committee began identifying how and by whom the hall was to be used. A key step had come in 1924 with the appointment of a caretaker. This was Mr J Howe who was to be paid 4/- a week for this his tasks included getting in coke, attention to the lavatories (which at that time appear to have been fairly primitive), window cleaning and maintenance of the 'heating equipment'. In addition he was to be paid 2/- for general meetings with an extra 4/- for whist drives and dances, concerts and socials. These 'extra' payments must have been numerous because in later years his annual earnings were said to be £70 - £80. The position of caretaker has continued to this day to be a key one in the running of the hall

and there have been 13 caretakers to date. The immediate previous caretaker was Terry Armit, and Laura Mannion is now the Hall Manager. As time passed the showing of films and boxing were added to portfolio of events that already included dancing and whist drives.

This article will be concluded in the August edition.

BRADWELL AND EYAM SURGERY

Public Health England (PHE) has issued a fresh appeal to young women to take up the invitation of a cervical screening test, also known as a "smear" test. Figures published this winter show a fall in the number of 25 - 29 year old women being tested. PHE is urging all eligible women (aged 25 - 64) who are invited for cervical screening (smear tests) to take the test. The test detects abnormalities within the cervix that could, if undetected and untreated, develop into cervical cancer. **Cervical screening currently prevents 70% of cervical cancer deaths.** However, if everyone attended screening regularly, **83% of cases could be prevented.** Women aged 25 to 49 who are registered with a GP are invited for screening every 3 years. If you are a woman between the age of 50 and 64 you will be invited to attend every 5 years. If you are embarrassed about having the test or worried about what the test results might say please book a telephone consultation with one of our Practice Nurses or GPs who will be happy to discuss the test, explain why it is so important and help to put your mind at ease.

GREEN ACTION

Could you plant a bee and insect-friendly garden? Harness power from nature? Reduce your use of plastics? There are so many ways to live a greener lifestyle, and people living in and around the Peak District National Park can learn more in a special event, happening on Saturday 13th July (10am to 4pm). The "Pledge, Protect, Connect" event is hosted by the Peak District National Park Authority at the Nightingale Centre, Great Hucklow. Celebrating 2019 as the Year of Green Action it will bring together community groups who are already making a difference and those looking for inspiration. The aim is to support communities in making their ideas reality and getting their projects up and running with community small grants and engagement opportunities. Featured presentations will include coverage of the Bradwell hydroelectric-powered Christmas lights. To find out more call 01629 816200 or e-mail Adele.Metcalf@peakdistrict.gov.uk or

ST BARNABAS CHURCH EXHIBITION

The exhibition is from Saturday, August 3rd to Saturday, August 10th from 10.30am to 4.30pm daily. It will feature local arts and crafts, with teas and delicious homemade cakes also available in the church. We very much welcome anyone who would like to display their work whether or not you have displayed it before. People come from far afield to see this exhibition and always

comment on the wonderful talent there is in Bradwell. Please bring items to church on Fri, August 2nd between 10.30am and 5pm. If you need help with transportation or have any queries, ring Lynn (620329) or Jane (621172).

MARRIAGE - DOYLE-TATTERSALL

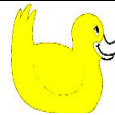

The wedding of Lesley Doyle and Richard Tattersall took place on Saturday 1st June at St. Barnabas Church. Lesley and Richard have lived together in Bradwell since 2010 and love this community. It was therefore important to them to welcome friends and family, both local and from around the world, to share their happy day. The reception was at Sickleholme Golf Club. The Reverend Janet McCabe of Chinley took the service and raised much laughter with her light-hearted joyfulness. The bride's family helped her decorate

the Church (with assistance from Darling Buds florists), with flowers in shades of ivory, lilac and blue. Music played an important part, and included singing by two of the bride's nieces. David Meakin from Hope was the organist. Lesley and Richard would like to thank everyone at St. Barnabas for their help, but in particular, Jane Dalrymple, who went above and beyond.

THANK YOU

We would like to thank everyone for their kind thoughts, cards and flowers over recent weeks. It has been lovely to hear how Mum (Joyce Gould) was so well thought of and appreciated and for all the lovely stories and memories you have given to us. Thanks to Paul and Mel at J.E. Nutch; Lynne for the flowers; Lynn and her team at The Shoulder, Rev. Jude Davis and to Norma and all at St Barnabas Church. Thank you all so much. Simon and Beverley.

BRADDA DADS

Thanks to everyone who supported our 'Family Fun Day' on Town Bottom playing fields - a

great success again. Thank you to Lynne at the Shoulder of Mutton, Bradwell Ice Cream and Holdsworths for their generous discount and also the Parish Council for letting us use the playing fields/marquee.

DUCK RACE: This year's race is, as always, on the Monday of Wakes week. However, this year we are trying a new venture and racing balls (and NOT in the brook). Come along to the usual spot to see what it is we are doing instead. Race starts 7 pm. Tickets are for sale in the Bakehouse, Post Office, from any member of the Dads, outside the Co-op for three Saturdays before the race or on the night from 6.15pm

PERSONAL ANNOUNCEMENTS

JOYCE ELIZABETH GOULD 'Nurse Gould'

Joyce was born in Glasgow 12th April 1926 with her twin sister Marion. When they were one, they moved to Manchester due to her father's work as a tailor. This is where her two brothers and sister were born. In 1937 they returned to Glasgow where she worked hard at school and won a scholarship to the local academy. They returned to Manchester in 1939 and in 1944 she started her training to be a nurse and into midwifery. This is when she met her beloved George, who was a

military patient, survivor of the sinking of HMT Lancastria 1940 in the Bay of Biscay. Training was very strict but Joyce loved it. It was like 'Call The Midwife' on her pushbike cycling around Moss Side, Hulme and other areas of Manchester. In October 1948 they were married in Swinton and they moved to George's parents' small holding, Rulow Knob Farm above Macclesfield. She worked and resided during the week in Manchester and spent weekends with George in Macclesfield. Nurse Gould was appointed as district midwife for the Hope Valley in 1954. They first lived in Tideswell before moving later to Granby Villa in Bradwell. This was her dream job - actually it was her vocation. Nurse Gould, day or night, on duty or off duty, was there, her patients always her priority. The job was very challenging as times were very different then, some households didn't have phones, TV's or cars and some no

mains water. She never missed a confinement, even in the hardest winters and there was a convoy of tractors or Land Rovers ready if she needed them. After a busy day, Joyce loved her retreat to Granby Villa. There was always a good smell of home cooking and a welcome for all. Joyce had a daughter, Jane and son, Simon. In 1986 she retired after 31 ½ years as the District Midwife – some achievement. A little later she went back to work at the maternity unit at the Whitworth Cottage Hospital for a further 7 years. Joyce and George now had time to travel and so visited many countries – Pakistan, India, China, and Canada. This provided Joyce with many subjects for her other passion, her talks, some on her travels, spinning and others on midwifery, all in aid of Cystic Fibrosis. She received a silver award for her work for the charity. Joyce and George attended one of the Royal Garden Parties at Buckingham Palace and she actually met the Queen years later when she received the Maundy Money at Derby Cathedral. Joyce enjoyed gardening, simple planting but very productive. She had great Faith and enjoyed her work with the Church, arranging, comforting, supporting and making cups of tea and being there for Wakes week. She was taught to knit and sew by her mother and carried on through her life even taking up spinning and finally quilting, she had a weekly group of quilters up at Granby Villa in later years. Joyce cared for George during the later stages of his life until he passed away in May 2007. When Simon and Beverley returned from working in Southern Ireland that year and set up Riverside Herb Centre, Joyce took great delight in helping out and meeting up with lots of her previous patients and hearing all their news and about their new generations of babies. Joyce passed away on 12th May 2019 and the funeral was held at St Barnabas Church on 28th May, followed by cremation at Hutcliffe Wood.
