- Wed 10 Aug:** Rebellion Knoll WI - Walk and Meal

THE PASSING OF DAVID EYRE

Mr David Eyre of Smalldale, Bradwell died at home on June 14th aged 70 years. Born at Abney, the son of Benjamin and Connie Eyre, David was educated at the Hathersage Church School before going to work as a porter at Hope Station. He next worked for Capons Industrial Painters, in Parson's Lane, Aston and then did his National Service with the East Yorkshire Regiment, serving time in Malaya. After leaving the army he resumed work, firstly at the Sheffield Drill Company, and then the Blue Circle Cement works. He started in the yard, then after a period as Laboratory Manager he became a Shift Manager, working at Hull, Indonesia and America, before returning to Hope Works where he remained until taking early retirement.

David married Irene Cooke and lived in Bradwell. He was very active in village affairs, serving as President and Chairman of the Sports Club, in particular the senior football section, of which he was also treasurer. Together with Graham Riley he ran the under fifteen football team for several years, winning the league on six occasions. For many years he acted as Groundsman, marking out the pitches for the teams and cleaning the pavilion with Irene's help. David was one of the main people involved in fund raising and building the sports pavilion, the all-weather playing area and the pavilion extension. For many years he organised the senior and junior fell races, taking part in the senior race until well into his sixties, and following the junior race to ensure all returned safely. He also organised the preparation, assembly and dismantling of the well dressings.

David leaves his wife, son Stephen, daughter-in-law Elizabeth, grandson Robert, sisters Janet and Beryl, and brother Tony. Cremation took place at Hutcliffe Wood, followed by a service at St. Barnabas' Church on 21st June.

PARISH COUNCIL NOTES

Lafarge plans steam- train rides to Earle's sidings

At the quarterly Parishes liaison meeting on June 14th, works manager, John Capewell spoke of further expansion planned for rail despatches. To achieve their goal of exporting 1.2 mm tons of cement by rail (currently 0.8mm), investment in new on-site track is now expected to exceed £10 million. Subject to planning approval, up to eight additional tracks, a trans-shipment platform and a new access road will be laid on part of the golf course and over the site occupied by the offices. New offices would be built closer to the works entrance and the two new golf fairways currently being constructed in the old shale quarry will maintain the course's nine hole status. **An open day is planned for September 17th – 18th**, with steam-train rides from the works to Earle's sidings. The last works steam railway engine, *Nunlow*, now preserved, will return as a static exhibit, with other attractions, including an exhibition of old works photographs and documents. A local character, **Oliver Wain** was the last driver of *Nunlow* from 1955 until it was replaced by a diesel locomotive in 1964.

Hope Valley Forum – Bridleway access

The first meeting, organised/funded by Peak District National Park, was held at Hope Valley College on June 22nd, and attracted nearly 200 local people. The meeting was chaired by Peak Park chairman, Tony Hams, and questions were answered by DCC Highways. The topic was use of off-road vehicles on unsuitable local tracks, which generated a heated debate between residents, farmers and off-roaders. Highways and Peak Park agreed to jointly reconsider their approach in light of comments/suggestions made at the meeting. A major problem seems to be parliamentary delay in introducing the new legislation, which is designed to protect bridleways from damage caused by reckless drivers of motorised vehicles. It is still at least a year away, and Highways have received more than 100 applications for the use of such vehicles on bridleways in the Park, including one for the path from **Edge Lane to the top of Bradwell Edge**.

Apparently the new legislation will not be retrospective and these applications are obviously intended to circumvent its purpose. In response to this threat we have established a **Rights of Way sub-committee** to protect, and monitor the maintenance of, all footpaths and bridleways within the parish boundary.

Street cleaning

This is the responsibility of Derbyshire Dales DC and, despite our regular complaints to them, the service still leaves much to be desired. In response to recent correspondence from residents and concerned well-wishers, we asked DDDC to give us details of their schedule for sweeping Bradwell streets. This has now been received, we consider it inadequate, and have **asked them to provide a more frequent service**.

We realise that parked cars pose a problem for their mechanical sweepers, so we have asked them to give us their proposed sweep dates for publication in this newsletter. This would at least give you the option to move your car whilst your street is being cleaned – if you can find somewhere else to park it, of course!

New floodmap

The PC hosted a meeting, on June 8th, of about 30 residents whose

properties are affected by the new map. Concerns and comments were noted and information on how to approach insurance companies was distributed by the Parish Clerk. It was agreed that the PC should continue its efforts to convince the Environment Agency either to down-grade their risk-assessment in the light of recent flood alleviation work, or to prioritise whatever other work they consider necessary. It was also agreed to meet quarterly to review progress.

Chris Furness

CONGRATULATIONS

Kerrie Bingham has received the award for Chesterfield FC Under 10's Players Player of the Year 2004-2005

This month we have sadly received yet another letter about mindless vandalism and foul-mouthed abuse in the village.

On the 4th of June we went out to our car parked on Town Lane to find the wing mirrors had been pulled off and the front tyres let down. Had we not noticed the tyres they could have caused an accident, and my whole family could have been killed. I would appreciate it if parents of teenagers who hang around this area at night could ask them about this incident.

Also, a few weeks ago I was cycling through the village about 9.30pm and went past a group of lads. I said "alright" to them, and their reply to me was "F**k off B**ch!". What is **wrong** with these people? Boredom is a pathetic excuse. O.K. I was a rebellious teenager (I still am at heart!) but I have never been rude to a stranger. What's the point? I just don't get it. Hopefully this is just a minority, but the whole teenage population suffer the consequences. It's got to the point now where most people don't have any inclination to want to improve the lives of teenagers in the village. Something really needs to change, but how I don't know. Josie Bland.

THE CARNIVAL QUEEN

Tompkins hair studio are delighted to announce that we will be sponsoring the carnival queen, Savannah Shelley and her attendant petal, Bethany Owens. As always, Julie, Harriet and Sally will do our best to make it a special day for the girls, and the village. We would like to add our thanks for the fantastic job that the committee do in producing a superb week for all - not forgetting the well dressings, that are always spectacular (with some of our clients donating hair too).

FROM OUR VICAR

Ralph Waldo Emerson in 1844 said this; "Though we travel the world over to find the beautiful, we must carry it with us or we find it not." We certainly live in a lovely part of Derbyshire, and I am slowly taking in the experiences of rural ministry set within God's wonderful creation. Within our village stands an undisputed landmark in the form of St Barnabas Church. I am most grateful to those who care for its upkeep year by year, even week by week, and day by day. In particular I am impressed by how well the churchyard is kept by our 'local lads', not particularly young! Both the churchyard and the church are havens of peace and solitude, appreciated by many. THANK YOU EVERYONE.

I appeal to you this month as village folk. Please can you help? You see, the church is mostly kept open day by day, and locked in the evening. In the days of many church buildings being locked outside service times, this is good news. I hope that this can still be possible for the future. I would be most happy to hear from anybody who would be willing to consider joining a rota of volunteers to lock and unlock the building each day. Please contact me on 620485 if you think you be able to help.

I trust that as you travel the world over, namely this bit of Derbyshire, that you would carry its beauty within you, and know the love and peace of its creator.

With my best wishes, Rev Ian A Davis

SATURDAY WASTE COLLECTION DATES

OBITUARIES FOR JULY

Mrs. Dorothy Cusworth, of Hugh Lane, died on 22 May on her way to Chesterfield Hospital. She died the day after her 84th birthday and a few days after her sister, Stella. She was born in Bradwell, the eldest daughter of Mr. Harold and Mrs. Sarah Mabbott. Educated at the Church School, she then went into service in Leeds. During the war she served in the WAAFS, as did her sisters, Vera and Olive. After the war she married Wilfred, who predeceased her. She was a keen gardener, fond of reading and a big supporter of church activities. She leaves a son, Stewart, daughter-in-law, Janet, grandsons, Thomas and Ewan and sisters, Audrey and Rita. A Funeral Service took place on 31 May at St. Barnabas' Church, followed by burial.

Mrs. Stella Ferraby, of Horsley Woodhouse, died at home on 7 May, aged 77 years. Born in Bradwell she was one of six

daughters of Mr. Harold and Mrs. Sarah Mabbott. She was educated at the Church School and New Mills Grammar School. She represented the Church School, as did her sisters Vera and Olive, at the Annual Hope Valley School Sports. Towards the end of the war she served in the ATS. After leaving the ATS, she went to Teacher Training College and then went to teach at Horsley Woodhouse, near Derby. She married Jim Ferraby of Hope, and lived at Horsley Woodhouse for the rest of her life. She was a keen Bowls player and was, at one time, President of the Derbyshire Ladies Section. Stella leaves her husband, Jim, and sisters, Audrey and Rita. The Funeral took place on 18 May at Horsley Woodhouse Church followed by Cremation. Her ashes are to be buried in Bradwell Churchyard.

The families of Dot and Stella would like to express their thanks for the cards, flowers and expressions of sympathy they have received at this sad time.

Mrs Lena Maine, of Hallgate View died on 15th June in the Hallamshire Hospital, aged 86 years. Born in Bradwell, the daughter of Mr Samuel and Mrs Aletha Wright, she was educated at the council school, but then moved to the Church School as did others who had "differences" with the Headmaster. She worked at Bamford Mill until marrying Sidney Maine, who she met after being pen friends while he was in the army. After Sidney died she went to work in the Blue Circle canteen until her retirement.

The funeral took place at the Methodist Chapel, followed by interment on 22nd June.

AVIAN GOINGS ON IN BRADDA

I'd spent the morning tidying the garden and was sitting admiring my handiwork over a cup of coffee. It was a golden April day and a collared dove flapped lazily about four feet off the ground. Suddenly, a sparrow hawk flashed out of the sky and it and the dove disappeared leaving a few grey feathers. It all happened so quickly that I wondered if I had seen or imagined it, but the feathers were there as evidence. It is good to know that in 2005 there is still room in the Valley for hawks to hunt.

THANK YOU!

Angie and Reg Davies would like to say a very special "Thank You" to everyone for the cards, flowers and good wishes sent during Angie's recent hospital treatment and recovery. We were totally overwhelmed by the help and kindness shown to us, were very touched by the prayers from the Bradwell Care and Coffee Fellowship, and the flowers from the chapel. We would also like to thank all the volunteer drivers who took Angie to hospital

AND THANKS AGAIN

Molly and David Wilson would like to thank everybody for their gifts, cards and messages on the occasion of their recent Golden Wedding Anniversary. Your kind messages and company were greatly appreciated

INFANT SCHOOL NEWS

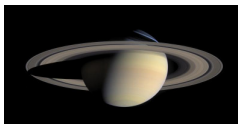

The children are visiting Chatsworth farmyard and adventure playground on Friday 1st July. Sports Day is in the afternoon on Wednesday 6th July. On Friday 8th July Coverdale Puppets are visiting the school to put on a show for the children. On the evening of Tuesday 19th July it is the leavers' service at St Barnabas church followed by an open evening at the school. During the open evening there will be a presentation to the school of a bench kindly donated by the family of Mrs Val White. The bench was purchased using money donated at Mrs White's funeral. The school is very grateful for the donation and the children enjoy sitting in the shade that the new bench provides in the playground. School finishes for the summer holidays on Friday 22nd July and re-opens on Tuesday 6th September.

We wish good luck to all the children that are leaving the Infant School to join the Junior School and look forward to welcoming the new reception children in September.

For any information please phone : 620409

A NEW LANDLORD FOR THE WHITE HART

The new landlord of the White Hart is called Stuart. Born and educated locally, Stuart has travelled the world with the Royal Navy and the Merchant Navy. He comes to Bradwell from the "Huntsman" at Drax in North Yorkshire.

AREA COMMUNITY FORUM

Calver Village Hall - Monday 11th July - 7pm

This is your chance to have your say and meet senior representatives from the District Council, Derbyshire Constabulary, Derbyshire County Council and the Peak District National Park Authority. Topics for discussion will include Countryside Matters and Neighbourhood Policing Teams. You will be able to make comments and ask questions on any of the authorities' responsibilities.

Other Forums are on 18th July at Tansley Village Hall and 26th July at Ashbourne Leisure Centre

The next Forum in the Northern area will be on 28th November at a venue to be decided

For further information, contact Ros Hession, Derbyshire Dales District Council, Town Hall, Matlock DE4 3NN. Phone 01629 761302 or Email ros.hession@derbyshiredales.gov.uk

BRADWELL U14S WINNERS OF THE DERWENT VALLEY PALMER TROPHY AND LEAGUE RUNNERS-UP

On Monday, 16 May, in a thrilling match at Bamford, Bradwell U14s were victorious against strong opposition from Hathersage in the final of the Palmer Trophy. Starting as underdogs, having already lost to Hathersage twice in the league, the team made a confident start and kept the score to 0-0 at half time. The second half saw a spectacular performance from all the Bradwell team. A tremendous volley, with 20 minutes to go, from Bradwell Captain, Sam Brown, following a superb pass from Greg Moseley, shook Hathersage. Some confident defending from Bradwell kept the score at 1-0 until another 2 goals from Sam Brown put the match out of reach of Hathersage. Sam Brown was awarded Man of the Match by the League representative. Well done to all the players and their Managers, Carl Brown and Paul Karlson.
