THE FELL RACE

I was quite anxious about how the race would go this year, given the absence of David and the change of night to the Tuesday. However, I needn't have worried, everyone concerned had been involved in previous years races and seemed to know exactly what they were doing, without me pacing about on the field fretting! Conditions were excellent for running and the largest field for years (184 people) took part in the race.

It was won in the very good time of 26.29 by a regular on the fell running circuit—Lewis Banton from Clowne. First lady was Natalie White from Holmfirth in the excellent time of 29.36, and finishing 17th overall. First locals were Richard Patton in 27.10 (3rd overall) and Donna Claridge in 38.54 (136th overall).

I would like to say a big thank you to everyone who helped on the night—you know who you are. There are however a few people I would like to mention by name – Derek Jewell for keeping turning up from Hope to help with the timing, Stephen for maintaining the Eyre family's association with the race, the Sowerby family for helping with about half the jobs going on the night, and Neil McAdie from outdoordesigns for furnishing us with some excellent prizes for the winners. Alan Ward

PARISH COUNCIL NOTES

Carnival Finances

When all receipts are in and all payments made it appears that there will be a loss to our Carnival reserve fund of £447, reducing it to £3688. However, compared to last year, which saw a loss of £600, this is a very good result, because under our new financial arrangements cash collection concessions are now granted to village organisations and no longer credited to the Carnival Committee account. Last year we collected £700 cash, which was included in our statement. This year, Allsports alone collected nearly £1000 in voluntary entrance payments and raffle, whilst the Bowls Club made £90 on the car-park and several other organisations benefited from collection tins during the street parade. So overall the Carnival made a very healthy return for the village, and our congratulations go to all those who helped in its success.

Criminal Damage and Antisocial Behaviour

You may have seen the front page of a recent edition of The Derbyshire Times, which reported the actions we are taking over the recent spate of incidents. We would remind residents again that it is still essential to report any incident they witness to the police, using the Crime-stoppers number – **0800 555111**, or dialling **999** if there is an immediate threat to person or property. The more incidents we report – the more police time will be devoted to patrolling the village.

Parish Council Web Site

It was agreed at our September meeting to provide the initial £370 funding to establish a site and provide training for some Councillors to manage it. This is the first stage of development – in time it is proposed that links with other statutory bodies (County & District Councils, Peak Park etc.) would be created so that residents can access information, contribute to debates and make comments, queries and requests.

'Dead Man Weds' sequel?

No, not DMW – but Channel 4 are now considering using Bradwell as the setting for a new 6 part drama serial (not a comedy).

A TV producer and scriptwriter visited the village in mid-September to talk to some local people, including myself, and students at Bradwell Junior School and Hope Valley College. They wanted to get a flavour of local dialect and culture before starting to develop characters and a script around their

ideas for a plot. If Channel 4 agree their proposals, they will return for a two-week stay - when they hope to talk to many more individuals and groups. Chris Furness

BRADWELL JUNIOR FOOTBALL CLUB

The 2005/06 season is now well under way. All teams made a good start - results to date and forthcoming fixtures are below.

Bakewell Festival of Sport: The under 12's were invited to take part in this tournament on Sat 10th September. On the day the weather was awful, but this didn't stop the boys from thoroughly enjoying themselves. They finally managed to win and came away with medals and the Festival Cup!

Thanks to all our supporters: A big thank you must again go to all the parents, grandparents and friends who continually turn out in all weather to support the boys and girls. It is much appreciated. We would also like to thank Bradda Dads for their generous donation of our new training equipment. The boys and girls will now be able to improve their skills.

Down Memory Lane: Does anyone know the whereabouts of a record/log book that was started in the 1970's? This book contains photos of past teams and their performances but it seems to have gone astray. Please contact Debbie Hobson 621731 or Frank Cooper, Bradwell Head Road, as it would be a shame to lose this part of our club's history.

THE SHOEBOX APPEAL

This annual project enables caring individuals, families, schools, churches and other organisations to fill ordinary shoeboxes with small toys and other gifts for children around the world - in hospitals, orphanages, refugee camps, homeless shelters and impoverished neighbourhoods. A shoebox will not change the world, but it could give a child some happiness at Christmas. Leaflets can be collected from church or ask Doreen Cameron-Murphy for one (01298 871598).

When completed, leave your shoe box in church or give it to Doreen or Doreen will collect it if you let her know. Closing date is Sunday 6th November.

INFANT SCHOOL NEWS

The Infant school has welcomed the new reception children and the children in years 1 and 2 back to school. During the summer holidays we received the sad news that our school caretaker, Margaret Wharton had sadly died. She worked at school for 15 years and will be sadly missed. We have discussed with her family a permanent memorial dedicated to her memory, and have decided to place a seat around the big sycamore tree. If you would like to make a donation please contact the school. Work on the play trail will start 30th September and we hope work on the new enclosed outdoor play area will start very soon. The new school year is off to a busy start. On 15th September the whole school enjoyed a skipping workshop and in the next few weeks the year 2 children are having yoga sessions. On 11th October the whole school is taking part in a music morning. The Harvest Festival service is 7th October, 9.15 am at St Barnabas Church. Donations go to the Bishop of Derby's appeal for farmers in Gambia and Brazil. The service will be followed by a coffee morning in school. Children from Bradwell pre-school have been invited to the service and to join the children for playtime afterwards. The school is collecting Tesco 'Sport for Schools' vouchers. All donations welcome.

EYAM CARNIVAL

Tompkins Hair Studio have kindly provided the *Bradwell News* with this photo of Princess Savannah and Rosebud Bethany, and with the great news that they came first in their category at their first carnival, at Eyam.

They are a credit to the village.

Thank you Savannah and Bethany, we're proud of you.

1st BRADWELL BROWNIES

This term Bradwell Brownies will be working towards gaining their Crime Prevention Badge, and are delighted to be having three visits from Community Officer PC McGregor, who will be enforcing keeping safe, burglary prevention and stranger danger. We will hold a Coffee Morning on Saturday 19 Nov in aid of Children In Need. We need raffle and tombola prizes. If you have anything suitable, please contact either Debbie Rowland 621719 or Helen Balmforth 621257 to arrange collection. (No jumble or bric-a-brac please).

Finally, Brownies would like to say a huge "Thank You" to Eden Tree Caravaners and Bradwell Bowls Club for their recent generous donations. This has meant we are able to hire the Sports Pavilion for our weekly meetings for another year. Thank you. Debbie

"Remember, remember the fifth of November, Gunpowder, Treason and Plot. I see no reason why Gunpowder Treason should ever be forgot"

Join us in the 400th Anniversary of the Gun Powder Plot when Bradda Dads, in conjunction with the Parish Council, will be holding the annual bonfire and firework display at the field along Michlow Lane above Michlow Drive, on Thursday, November 3rd with the fire being lit at 6.30pm and fireworks from around 7.00pm. The firework display will again be by 'Big Bang'. Refreshments will also be available. Please support this community event by making donations at the gate upon entry to the field. On Saturday morning, October 29th, Bradda Dads will collect your burnable rubbish (no metal) in return for a small cash donation to go towards the cost of the fireworks. Please call Jonathan Morgan 620454, or email braddadads@bopenworld.com as soon as possible.

FRIENDS OF BRADWELL SCHOOLS

Registered Charity No. 1108109

FOBS Annual General Meeting will be held on 11th October at 8pm at the Shoulder of Mutton. All are welcome, including parents, carers, guardians and all interested parties. In particular of children new to school may want to come along and see how the charity is run and the events we organize.

We have organised a Bag2School collection again, on 31st October from Junior School. All donations are accepted - clothing, bedding, curtaining, footwear, handbags and belts, all in decent condition. Please put in black bags and take to either school from Monday 17th to Thursday 20th October. Schools close on Thursday 20th October for half term and re-open on Monday 31st October. Please do not leave bags outside school hours.

The bags are then sold to Bag2School, who pay FOBS by weight. Any queries please contact Joanne Jepson on 623724.

Because this is such a good fund raiser we have booked another collection date for 27th February 2006, so please bear us in mind when sorting out items to discard. Thanks.

UNDER 8's FOOTBALL

Bradwell under 8's started the season well, away to Bakewell on Sunday 11th September. Keeper, Baily Darricot and defenders, Jacob McAdae, Jake Saxon and Jake Hardman played solidly. The midfield four, Josh Bradshaw, Fynn Hall, Ben Ollerenshaw and Sebastian Powell-Bradbury were tireless. In an exciting match, Molly Archer scored all six of Bradwell's goals in their 6-3 win. A good all-round performance.

BAMFORD MINI SOCCER TOURNAMENT

Bradwell Under 8's had an enjoyable day of 7-a-side football on Sunday 18th, playing against other village teams. They played five games in total, losing two, drawing one and winning two. The team finished in overall 3rd position and played some great football. Well done to all who participated, and a big thank you to the event organizers.

BRADWELL BOWLS CLUB

We are nearly at the end of the bowling season and have had a very successful year, with four teams in the Matlock and District League, and many club tournaments and friendly matches. We hosted the Ladies League singles and have held our finals day, culminating in our Charity Day 2 weeks ago. This was very successful and raised about £386, which will be divided between Macmillan Nurses and Barnes Ward at Calow Hospital. Through the winter there is lots of maintenance to do, on the Green and in the clubhouse. Anyone interested in joining us for bowling in the next few weeks, or in the Spring, please contact J Shaw 620849 or M Brett 621404. You will be very welcome.

WHERE IS STANLOW?

Stan Low is south of Bradwell, just off the B6049, before the road down to Nether Water and above Stanlow Dale. From the Oxford Dictionary of Place Names, 'Stan' means "stone" or "stones" and in a place name sometimes refers to a memorial stone or to natural stone, as in Buxton. 'Low' can mean hill, tumulus or burial mound (Old English hlāw). Some Bradwell residents went to look when the "dig" was in progress and may find the update of the investigation of interest
