## BRADWELL AFTER SETH

Bradwell Historical Society plans to produce an up to date book to follow on from 'Bradwell Ancient and Modern' published by Seth Evans almost one hundred years ago. We will look at how the village has changed since then and what it is like today. We are seeking material or stories about interesting characters, customs and events. We need a lot of help so we can record this local history while there are still people around who remember. Many local people are from families mentioned in Seth's book and no doubt there are Bradwell ex-pats with tales to tell. If you can help with a story, a post card, a photograph or any material please contact Bradwell News so that we can follow it up. Material can be copied or digitised; we do not need to keep the original. As a start we are looking at Religious activities; World War 2: Building and Housing: Water Supplies: Bradwell Brass Band: Bamford Cotton Mill.

Please phone 621865, email [bradwellnews@yahoo.co.uk](mailto:bradwellnews@yahoo.co.uk) or come to any monthly meeting to find out more. Thanks.

Michael Emsen - Chair, Bradwell Historical Society.

## HOPE VALLEY LIONS

The Hope Valley Lions Club is a charitable organization which raises money throughout the year in support of various charities and local organizations. Last year we made donations to the Hope Valley College Band's trip to Greece, Hathersage Scouts and Caroline Court. We have also donated to various disasters around the world. Some of our events this year are:

Classic & Vintage Car Show Sun 16<sup>th</sup> July at Hope Sports Field  
Craft Fair Sat 18<sup>th</sup> & Sun 19<sup>th</sup> November at Hope Valley College  
Plus we have a stall at Chatsworth Country Fair.

We meet at the Rising Sun Hotel on 2<sup>nd</sup> & 4<sup>th</sup> Monday of each month. Our next meetings are Mondays 13<sup>th</sup> & 27<sup>th</sup> March, Mondays 10<sup>th</sup> & 24<sup>th</sup> April. We are looking for new members, so if you are aged 25 and over male/female and would like information on how to become a member please call:

Harry 01433-670234, Derrick 01142-890873, or Mick 07791695437, and we will be glad to help you.

## PARISH COUNCIL NOTES

**Parish Councillor Vacancy**

Five residents have made written applications for the one vacant position on the PC. As this is a casual vacancy an election is not necessary. When we announce a casual vacancy we have to formally advertise it and if 10 electors requisition the Electoral Registration Officer then there must be an election. As no-one made such a requisition the ERO formally confirmed that we could proceed with filling the vacancy in any way we thought appropriate. All applicants have therefore been invited to our March meeting to observe the Council process and to ask and answer questions of Councillors. One of the applicants will then be selected at the meeting, by secret ballot, for co-option to the Council.

**Dogs and Playing Fields**

We have recently received several complaints about dogs being exercised on the Town Bottom playing field. Dogs are not allowed on playing fields for a very good reason. Their faeces contain parasites, which can find their way into the intestines of young children and cause serious illness. We did put dog exclusion notices on the Town Bottom field, but they were removed by someone who presumably disagreed with the restriction. We hope that those owners who have been taking their dogs on the field will now consider the health of village children and exercise their dogs elsewhere.

**Hat shop – Bessie Lane**

Further to my article in the last newsletter, Steve Lawless decided to do some research in the County Archives at Matlock. He found a reference to the building as property number 11 on the 1843 tithe map. Then on the tithes list for the same year he found it described as a hat shop, in the ownership of Jacob Hallam and let to Isaac Furness (hatter) - no relation as far as I'm aware. This information was passed to Peak Park archaeologists, who will consider what scheme of research work needs to be carried out on the building and the site before it is re-developed.

**THAT PANTO**

Hats off to everyone who worked so hard to produce another splendid and highly entertaining pantomime this year. There is something about village panto which seems to bring out the best of talent in people, and Bradda is no exception. Well done everyone!

**CHANGE FOR LIFE**

Coming soon to Hope Valley is "Change For Life", a 20 week weight management course for women. Starting in March at Hope on Thursday evenings, this course helps women make gradual changes, which will improve their health and help reduce weight. The course aims to share information (rather than tell people what to do) on topics such as eating for life, dieting myths and fat content of foods. The course is two hours per week and is split into two parts:

- **A gentle exercise session** to music, designed to suit all needs and taught by qualified, experienced instructors.
- **An information session** sitting down with a tea or coffee, this is an opportunity to learn and talk about your body, nutrition, health and activity levels.

This is most definitely not a diet and weigh-in course. It aims to help support women to make small changes, which can be maintained for the rest of their lives. We explore the reality about dieting and what it does to your body and learn that being more active can be fun as well as improving your health. Change for Life works for many women because they feel comfortable being in a group of other women who share similar concerns and experiences about their weight and health.

For more information call **01246 231255** to talk to one of the Change For Life team, or contact the nurse at your surgery.

North Derbyshire Health Promotion Service runs Change for Life, with funding from Peak District Healthy Living Network.

**YELLOW MOON**

Actually, not another astronomy article! Bradwell Rainbows are raising funds for their 10th Birthday celebrations - and they need our help. But don't worry, they're not asking you to donate money this time! Instead they've found an ingenious way for you to buy products to keep your child entertained and help their development – plus help them raise the funds. It's called the YELLOW MOON fundraising club. For every purchase you make from the Yellow Moon fundraising club, they will receive up to 25% cash-back (excl. VAT and p & p). So the more you, or your friends and family order, the more cash-back they'll receive. Here's how to help:

Browse through the website at [www.yellowmoon.org.uk](http://www.yellowmoon.org.uk) or call 0870 112 6460 and place your order direct with Yellow Moon. Yellow Moon will then send products directly to your door.

All orders placed using the unique Source Code SBR 10948 will have the cash-back amount pooled for Rainbows and they will send a final cheque for the collective amount. Please be sure to always quote the Source Code when ordering!

Debbie and the Rainbows thank you very much for your support.

## RAINBOW NEWS

Bradwell Rainbow Guides have had a busy six weeks, how time flies when you're having fun! The Rainbows have been pirates and went on a treasure hunt, where they had to walk the plank to get to the treasure. We have also had a Canadian night, a fun night with food, a musical night making and playing instruments, and finally a Promise Night where Ella Thompson made her Rainbow Promise.

We currently have 16 Rainbow Guides and run a parent rota each week, (ratio 5/1) however due to increasing work commitments of one of our leaders, we are looking for someone to help on a permanent basis. If you think you could help for approximately 1 hour each week please contact Debbie on 01433 62173 for more information. NB. You would need to complete a CRB check.

## INFANT SCHOOL NEWS

Do you shop on the internet? Would you like to help the infant school? You could join an online shopping reward scheme involving over 350 leading companies including Tesco, Argos, Amazon and E-bay. Every time a person uses the school-funds website to shop online the chosen school receives points which can be exchanged for educational equipment. Registering and using the site is free, visit [www.schoolfunds.co.uk](http://www.schoolfunds.co.uk) for more details. Are you planning to send your child to the village infant school? It would really help the school to plan for the future if it knew of children who are going to join our school. It is never too early to let the school know, just 'phone the school on 620409. Thanks, Jane

## LOOKING FOR LOST RELATIVES

A gentleman by the name of Andre Hallam is looking for any information which could help him track his genealogy. He is descended from William Fox (father of Samuel the 'umbrella king'), Samuel Hallam, and Joshua Jeffery, all from Bradwell. If you know of any living relatives or can help Andre in his search please mail him at a-n-d-r-e@sympatico.ca Editor

## THANKS FROM THE SHAW FAMILY

May we take this opportunity to thank everyone who sent the family sympathy cards following our sad loss. Your thoughts and words were of great comfort. It is times like this which help us realise how fortunate we are to live in such a caring village. Also many thanks for the donations, which amounted to £360.00. They have been divided equally between St Barnabas Church and Gernon Manor Bakewell.

We would also like to say a special Thank You to our vicar, Ian who did a wonderful job in helping our family through this hard time. Also to J.E.Nouch and all his staff for the funeral arrangements. Once again many thanks.

## OBITUARIES

**Mrs Grace Pashley** of Brookside, Bradwell died on 27th January at Burton Close Nursing Home aged 89 years. Grace was born into the Major family, at Shalford, near Guildford, starting

work with a bank and moving to Trentham when the bank transferred its headquarters from London during the war. On leaving the bank she moved to the Birchfield guest house as housekeeper, and it was there that she met William (Billy) Pashley, who conveyed guests to and from Hope station in one of his two buses. They were married in 1952 and Grace came to live at Brookside, where she helped Mr Pashley with his coach and taxi business. She continued the taxi business after her husband's death in 1972 and was still delivering meals on wheels in her seventies. She had many interests, was an active member of the Conservative Party and a supporter of many charities, especially those for children. She was a keen gardener, fond of animals, a member of Derbyshire Wildlife Trust, a supporter of Bakewell Show and a member of the Friends of Chatsworth Society. She leaves a sister Mary, nieces and nephews. Another sister, Josephine pre-deceased her. The funeral service took place at the Bradwell Methodist Chapel, followed by cremation at Hutcliffe Wood on 17th February.

**Mr Leslie Clow** died at the Lafarge Golf Club on 23rd January aged 59 years. Born in Rotherham, the only son of Leslie and Margaret Clow, he was educated at Wath Grammar School and spent most of his working life at British Coal as an accountant before taking early retirement due to ill health. Leslie married Susan Cosker and lived in Rawmarsh and Mexborough but they were eventually divorced. A keen golfer he was at one time captain of the Lafarge Golf Club and enjoyed fishing and also staying at the Eden Tree caravan park. He eventually came to live in the village. Leslie leaves a son, Andrew, daughter-in law, Lyn and grandchildren Alicia and Robert. His sister, Patricia pre-deceased him. The funeral took place at St Barnabas Church on 3rd February.
