UNDER 8's FOOTBALL

In a busy footballing weekend, Bradwell Under 8s played twice in three days. A great game against Bamford with a 0-0 result, was followed by a hard game against Tideswell which Bradwell won 2 – 1. Goals were scored by Molly Archer and Sebastian Powell-Bradbury. Both games were played in a great spirit

BRADWELL YOUTH STEERING GROUP

On Thursday 27th April 2006 at 11am the inaugral meeting of the Bradwell Youth Steering Group was held at the Methodist Schoolroom, Towngate Bradwell. This is a multi agency forum that has been set up at the request of Inspector Bryan Hall at Bakewell Police Station. The intention of the group is to look at youth issues in the Bradwell area. The organisers would like to know If there are any local volunteers who would be willing to be a part of the group. They are particularly looking for people who could positively contribute to any projects or initiatives that are agreed upon. Any willing volunteers should contact either PC Doug Eyre, the new local Beat Officer for the area, or T/Sgt 248 Lee Richards at Bakewell Police Station.

Contact details are Tel 01629 762024 or E-Mail Lee.Richards.248@Derbyshire.PNN.Police.UK

HONOUR FOR BRADWELL RESIDENT

On Wednesday, 12 April, 2006, Mrs. Audrey Avey was presented with the W.R.V.S. Long Service Award Medal, having completed just over 15 years service. Mrs. Avey is the organiser of the Bradwell Luncheon Club which meets every Wednesday for luncheon at the Sports Pavilion. Several years ago she instigated monthly trips to interesting venues with a subsequent stop for luncheon. These trips have included visits to Blackpool, Manchester and Leeds (Harry Ramsdens), ice shows at Sheffield Arena, garden centres, canal trips and, more locally, Chatsworth Estate and many more!

To assist with funding for the Bradwell Luncheon Club, Mrs. Avey has applied for grants and, along with her team of volunteers, raises monies during Gala Week by way of selling teas/sandwich refreshments and running tombola. Her hobbies are decoupage and design/construction of 'Faberge' style eggs which have been exhibited in the past during Gala Week at St. Barnabas Church.

ANNUAL PARISH MEETING

This was held in the Methodist Schoolroom on April 4th, and was attended by five members of the public, County Councillor Judith Twigg, and District Councillor Janet Goodison. Parish clerk, Richard Jarman, presented his report and financial summary and Council Chairman, Alan Slater, reflected on his second year in office. Questions were asked about the level of the parish precept, on-street vehicle parking, gritting of minor roads, affordable housing, possible use of PC-owned land on Softwater lane for residents car-parking, and our grant of £625 to the Bowling Club.

Parish Precept

It was explained that the precept is particularly high in Bradwell because we have two large playing fields to maintain, whereas other villages have only one - which is usually run by a voluntary organisation.

Vehicle Parking

Concern was expressed regarding the increasing problem of obstruction of narrow lanes by parked vehicles. We understand that Bradwell Fire service will shortly be carrying out a survey of all our roads to assess accessibility for emergency vehicles.

Gritting

It was suggested that there should be an emergency plan for gritting minor roads. The PC does not have the funds nor the manpower to arrange this, but if more grit-bins are required and there are agreed sites available, we are able to provide them.

Affordable Housing

The PC was asked what it is doing to help provide affordable housing in Bradwell for young families.

The Clerk reported that the PC had held meetings with Northern Counties Housing Association, Nottingham Community Housing Association and Derbyshire Dales Housing Dept., to discuss their current policies and future affordable housing programmes. We have facilitated an open day, in the Memorial Hall, with NCHA and the District Council, and we will be assisting NCHA in planning a new housing needs survey for Bradwell.

Softwater Lane Car Park?

The costs of construction, maintenance and supervision of a car-park here are prohibitive. We have previously invited applications from potential management committees for this purpose but none have been forthcoming. It was agreed that we would look at this again and Councillor Twigg offered to enquire about possible DCC grant funding and policing.

Bowling Club Grant

The PC was asked if the Bowling Club was open to membership applications from all residents. The Parish Clerk confirmed that this assurance had been given by the club when it applied for the grant which was for refurbishment of its premises. He reported that grants totalling £3325 had been made to five village organisations during 2005.

New Councillor

At the monthly PC meeting, following the annual meeting, Linda Harrison was welcomed as our new co-opted member. A profile of Linda appears elsewhere in this newsletter.

Smalldale Head Quarry

This quarry is currently the subject of an enforcement order, banning the extraction of limestone.

The operator of the quarry is appealing against this order and this appeal will be considered at a public enquiry on October 1st. Anyone requiring further information should contact the minerals planning team at Peak District National Park (01629 816200).

BRADWELL RAINBOW GUIDES

We have had a busy six weeks, which ended with us saying goodbye to Bethany, Lilli and Mia who have now moved up to Bradwell Brownies after their Pot of Gold party . The girls designed invitations for the party and also decided that they would like to have a Disco with party food & games. We welcome Mrs Helen Hitch as our new Assistant Rainbow Leader, and would also like to thank all the mum's who have helped on the parent rota over the last few month's. Special thanks to Trisha Bramley who helps every week her support is much appreciated.

Yellow Moon - don't forget that if you order crafts from the Yellow Moon website, (www.yellowmoon.org.uk) we will receive up to 25% cash-back (excl. VAT and p&p). IMPORTANT: when placing your order, please remember to quote the unique Source Code to ensure the cash-back amount is attributed to Bradwell Rainbows. Source Code SBR 10948.

Rainbow guides is open to girls aged 5 to 7 years, we meet once a week at Bradwell Sports Pavilion.

If you would like to join or would like some more information please contact Debbie on 01433 621731 or debhobson@aol.com

THE ROMANS WERE HERE!

The Historical Society welcomed Clive Hart who spoke on his work of mapping and investigating traces of Roman activity in the north of England. He was able to point out Roman stones in the wall of a building by the side of the Methodist Hall – probably taken from Anavio – and threw new light on the origins of the Grey Ditch and the line of the Roman road beneath Bradwell Edge. He also detailed work being done on the Antonine and Hadrian's Wall, including the reconstruction of buildings at the military depot on the Tyne at Corbridge.

New members are welcome to attend our regular monthly meetings.

Bradwell Historical Society has applied to the Local Heritage Initiative fund for a grant to cover the cost of our planned book covering the last hundred years in Bradwell. If we are successful, we hope to give a copy to every household in the village. Whatever the outcome of our grant application, we want to keep on collecting stories and pictures so that the information is preserved for future use. We want to involve as many people as possible in this. If you would like to know more, get in touch with me on 01433 621865.

REBELLION KNOLL WI

Following the business meeting on Weds 12th April, during which discussions took place in connection with events and celebrations to mark the Queen's 80th birthday, the forthcoming Resolutions meeting (10 May), the visit to Branston WI and the Cycle Cuba event to be held by Rebellion Knoll members on 11 June - Lynda Cliffe introduced our speaker for the evening - PC Ian McGregor of Derbyshire Constabulary. PC McGregor is one of a team of beat bobbies in Bradwell. He gave a knowledgeable and informative talk which was at times humorous and light-hearted but most undoubtedly serious relating to crimes such as burglary, opportunist crime, distraction crime, vandalism, nuisance issues and drug problems not only within the village of Bradwell but also the surrounding villages and areas within the Hope Valley. Points of discussion related especially to the prevention of crime where PC McGregor demonstrated simple methods to protect ourselves, homes and children from distraction/opportunist and doorstep crime. Auto crime was the most reported issue in our area, not only to residents' vehicles but also for tourists who return to their vehicles to find them damaged and/or items stolen. Hints and tips were also given to prevent break-ins, burglaries and theft when people were absent from their homes. Members were also informed of the behaviour patterns of people under the influence of drugs and the differing modes of behaviour that each different drug produces. Most of all he encouraged members to report anything suspicious no matter how trivial. A crime prevention and information pack was handed to each member at the end of the evening. A very enjoyable evening, albeit at times serious, was had by all. A vote of thanks was given by Lynn Lawless (Secretary) and everyone left the meeting feeling confidently reassured. May we as members of Rebellion Knoll WI say in the words of Nick Ross from BBC 1's series, "Crimewatch": 'Sleep well and don't have nightmares'. For those of you who don't watch "Crimewatch": 'Sleep well and don't have nightmares'.

JABEZ BRADWELL'S DIARY

I have been doing some research into my family history and thanks to Marjorie Ward we have found my thread of the Bradwell family. Mary Bradwell met and married a William Noah Wilson who used to sell hat trimmings around the Hope Valley area. Once they were married they went to live in Stockport, Cheshire and thrived! I am looking for a booklet called Jabez Bradwell's Diary by Jabez Bradwell. If anyone has a copy and is prepared to part with it or even make a photocopy of it for me I would be most grateful. In the first instance I can be contacted at e_gayna@hotmail.com Of course I would also love to hear from anyone who is from my Bradwell roots. As far as I know I am from Edwin Bradwell dob 1815 and he was a tailor. Thank you, Gayna
