034/2008 Parish Council Processes

The Annual Parish Meeting was discussed and it was decided that the format should be as in previous years and the Chairman and the Clerk should meet to prepare their presentations.

It was resolved that Cllr Furness should represent the Parish Council at the PDNPA Services meeting in March, when the TRO for Brough Lane could be on the agenda.

035/2008 Village Issues / Initiatives

Cllr Furness gave an update on progress of the Newburgh proposals. The village meeting had given an indication of the views of some members of the village. The plans were still being refined and Mr Middleton wanted to present the latest version to the council on Tuesday 25th March.

Once the plan had been finalised and had been submitted to PDNPA for approval, the council should then consider how best to obtain the views of the villagers.

Cllr Briggs gave a general update on progress with the Youth Centre. He stated that an incident had occurred in which a volunteer and some young people had been involved. He would report back to the council once this had been resolved.

Cllr Furness gave a general update on progress with Rights of Way and Common Lands committee. He mentioned that a) progress in registering the Peace Gardens as a Village Green, b) and the issue regarding responsibility for trees on Spring Close. Cllr Eyre asked that the registering of Beggars Plot as a Village Green also be carried out concurrently with the Peace Gardens.

Cllr Briggs gave a general update on planning for Carnival 2008 and stated that it was planned to locate Carnival 2008 on Beggars Plot and to hold the second Saturday evening event at Lafarge. Some new trophies are required, and local business will be approached to provide.

It was resolved to suspend Standing Orders to allow PCSO A Boswell to give his monthly report.

PCSO A Boswell reported that a) there had been 4 crimes and 10 service calls over the past month, b) 2 separate operations were underway, and c) the Police wished the council to nominate 2 separate priorities for the village on which they could concentrate. The Clerk was asked to put this item on the April agenda. The Chair thanked PCSO Boswell for his report.

It was then resolved to reinstate Standing Orders.

036/2008 Playing Fields & Village Caretaking

Village Caretaker, B Nicols, gave his monthly report. He had been working through the higher priority work identified in the RoSPA report for both playing fields. The caretaker was asked to repair the damage to the walls of Beggars Plot, especially on Gore Lane. The graffiti on Town Bottom Playing field was discussed and rather than the caretaker tackling this problem, the Clerk was asked to report this to the owners of the wall and the buildings for their attention. It was resolved that the caretaker could spend up to £300 on the purchase of a new strimmer. This purchase is to be invoiced to the RFO and paid from the Sinking Fund.

Cllr Briggs gave his report from the Town Bottom Playing Field committee. The RoSPA identified work was on-going. The Clerk had been asked to contact RoSPA about acceptable solutions to some of the items mentioned in their report. It was hoped to refurbish the basketball court.

Cllr Lawson gave her report from the Beggars Plot Playing Field committee. The RoSPA identified work was on-going. The wall along Gore Lane needed repair. The committee was happy for Carnival 2008 to be held on the playing field. It had been decided that, if any resident wished to donate a commemorative item to the village, then a bench would be welcomed now that trees would not be planted on parish land.
