028/2009 Planning Applications

The planning application NP/DDD/1208/1089, from Newburgh Estates Ltd. for outline permission for a mixed development on the Newburgh site was considered.

After some discussion it was unanimously resolved to object to this application.

The format and content of the council's response to PDNPA & DDDC was then discussed. Each member outlined the specific aspects of the application they objected to as well as those they supported for inclusion in the response. It was resolved not to include any reference to earlier plans produced by Newburgh Estates Ltd. in the response. The format of the response was then agreed. The Clerk is to circulate a draft of the response for comment prior to submission.

The following points were also agreed:-

1. The full response is to be displayed on the parish notice board.
2. Transport to Bakewell for residents.
An article is to be included in Bradwell News to determine what interest there might be for residents to attend the PDNPA planning meeting when this application is to be decided. If there is sufficient interest, it was resolved that the council would underwrite the cost of providing a coach.
3. If residents intend to make individual or group representations at the PDNPA planning meeting, the individual representations are to be co-ordinated by the Clerk.
4. It was resolved that Cllr Furness should make a council representation at the PDNPA planning meeting. Cllr Furness is to circulate his representation to members in advance.
5. It was resolved that Cllr Furness should be the council spokesman to the media on this matter.
