BRADDA LOTTO DRAW

Winning numbers in the May draw were:

£60 Number 128

£30 Number 202

£15 Number 90

The June draw will take place in the Bowling Green on Wednesday 1st June at 8pm

ST BARNABAS CHURCH

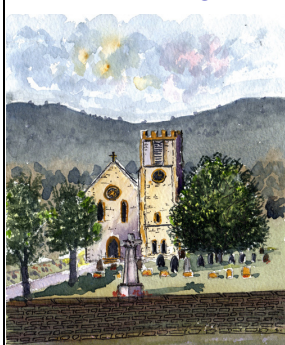

We are planning to hold our annual **Arts & Craft Exhibition** again this year during Gala Week. This is always a very popular exhibition and we're very much looking forward to welcoming anyone who would like to display their work. More details about dates and times to follow

PICNIC IN THE PARK

As part of the celebrations for H.M. Queen Elizabeth's Jubilee the Parish Council will be providing two marquees on Town Bottom playing field. Any resident wishing to use this large covered area for their own celebration of the event can also order a picnic bag from the Bakehouse. Cost of the picnic bag is funded by the Parish Council, assisted by a grant from Derbyshire Dales District Council. Your picnic bag choice is Vegetarian, Meat, Vegan or Gluten Free and it will contain a sandwich, cake, snack and a drink, plus a voucher for a free ice cream from the Khazi Café.

If you would like to participate in this event you will need to order your picnic bag by Friday 27th May, for collection on Saturday 4th June between 9 am and 1130 am. Please bring your own blankets, chairs etc.

ST BARNABAS CHURCH

A date for your diary - On Friday July 22nd we are holding a Summer Musical Evening in St Barnabas Church, with a wide variety of music to suit all tastes. Madrigals to melodies, the Sheffield Decibelles, a local cello duet and folk band. All funds raised will go towards funding flooding damage repairs in the Church graveyard.

EVENTS

Tues 21: Historical Society: 8pm in the Methodist Hall. "Ten Things you (maybe) Didn't Know About the Crusades" by Richard Cornish

13th July: Infant School 150th Anniversary "Open House". 2:30 to 4:30pm at the school (see article in this edition)

COMMUNITY LAND TRUST

After six Bradwell families moved into affordable homes at Bradwell Springs last summer, the CLT is continuing to work hard to provide housing for local people. We are hoping that six more families will move into Bradwell Springs by the end of this year, bringing to a successful conclusion the initial project for which the CLT was created.

But that doesn't mean that the need for local affordable homes has all been met. Derbyshire Dales District Council will shortly be publishing the results of its survey of housing needs in Bradwell, and we are expecting to learn that there are still several families in need. We are therefore beginning to think about our next affordable housing project, and we will be consulting the village when it takes shape.

For the last few years before Covid the CLT has organised Comedy Night on the last Saturday of Gala Week and we're delighted to say that we are going ahead again this year on Saturday 6th August. Watch this space for further details.

FLOWERS FOR PEACE

Our Lady of Sorrows Roman Catholic Church, Bamford, is to host 'Flowers for Peace' during this year's Bamford Carnival. The church will be open to visitors daily over Carnival Week (Sat 9 - Sat 16 July) between 10.30am and 4.30pm. The simple floral displays and adjoining prayers, organised by the parishioners, are to represent the hopes and prayers that many of us share for peace in all of the world's war zones, including of course, Ukraine. We hope you will visit us.

PARISH COUNCIL NEWS

Annual Parish Meeting: The meeting, in the Memorial Hall on 26th April, was attended by residents, local organisations/businesses and representatives of principal authorities. The meeting reviewed work conducted by Council during the year and was followed by reports from our local business and Peak District National Park Authority.

Annual Meeting of the Parish Council: The last council meeting was the council's annual meeting. Cllr Downing was re-elected as Chair and Cllr Salisbury as vice-Chair. Council then appointed Chairs to all committees. Council policies and procedures were reviewed and adopted. All policies and procedures are available on the website (bradda.org).

Jubilee Celebrations: The idea of a party in the park (Town bottom playing fields) on Saturday 4th June 2022 has been agreed. Residents can order a free picnic bag from The Bakehouse which will contain a sandwich, cake, snack and drink.

There will be four options - Vegetarian, Meat, Vegan and Gluten free. The picnic bags will also contain a voucher for an ice-cream from Khazi café. This is funded by the parish council and a Jubilee grant from Derbyshire Dales District Council.

Garden Waste: District Councillor Furness advised council that certain parts of the village no longer have a garden waste service. Only properties who have green bins, which they pay for, have a garden waste service. The reason given is that the company now used for garden waste do not accept waste in plastic bags, even though they are compostable. District Councillor Furness advised that the plan to remove grass cuttings from the verges as they are cut is postponed to 2023.

Report on ANPR in the village: PC K. Webster attended the parish council meeting to discuss the possibility of having ANPR (Automatic Number Plate Recognition) cameras in the village. He advised that this is the start of the process and he is attending parish council meetings to ask for support. PC Webster stated that he did not expect quick results and makes no promises that the project will go ahead. Council agreed to add his request for support to the agenda for the next parish council meeting so the proposal can be formally discussed.

Caretaking Resource: The Parish Council require suitably qualified persons to carry out a range of gardening, caretaking and routine maintenance tasks. Applicants should be able to carry out routine DIY tasks, eg. painting, would own their own tools/equipment and be responsible for their own tax and insurance. If you are interested in applying please contact the Parish Clerk (623485) or parishclerk@bradda.org

Public Participation: We welcome members of the public at both the main council and all committee meetings. Council meetings are 7:30 p.m. on the first Tuesday. See notice boards on the side of the Memorial Hall and in the Peace Gardens bus shelter for meeting announcements and agendas.

Contacts:

Parish Clerk (623485) or parishclerk@bradda.org

Council Chair (623941) or cllrdowning@bradda.org

DERBYSHIRE CONSTABULARY

There are opportunities for everyone to make a difference with Derbyshire Constabulary, whether it's a career for life or a few hours a week volunteering with the local community. We are currently recruiting police officers and there are lots of different ways to join. From people leaving school or university, people who would like to 'earn while they learn' or those joining from another career, there's an option to suit everyone. It's a job like no other - whether you're protecting the vulnerable, saving lives or simply making the community where you work feel safe. It's exciting, demanding and vitally important work. There are also a variety of staff roles, meaning you could be tackling the problems which matter to the people of Derbyshire or being there at the end of the phone in their time of need. For those who only have a few hours to spare, our Special Constabulary gives people the chance to do something rewarding alongside their busy lives.

If you want to find out more about any of these opportunities, visit careers.derbyshire.police.uk

VANDALISM - SEEKING INFORMATION

A resident has had a most unpleasant experience of vandalism and they have asked the *Bradwell News* for help in trying to discover who could have done such a thing.

Their beloved classic Mazda MX5 car has been mindlessly vandalised in Bradwell. The Newburgh garage they rent at the end of Springfield Road was broken into and a brick thrown through the windscreen. The soft top was slashed, interior fittings ripped out and just about anything that could be trashed was destroyed. The damage is so extensive it means the end for this classic car, which held great sentimental value. The car battery and number plate were taken, so if anyone has any information which could help discover who in our village could do such a thing, could you please send it to the Bradda News and we will pass it on. Thanks..

BRADWELL JUNIOR SCHOOL

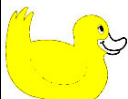

At the end of the summer term Bradwell Junior School will mark the end of an era as we bid a fond farewell to our head teacher, Mrs Attwood. After 13 years as head teacher here and 33 years of working in education Mrs Attwood is taking early retirement. Leaving our school in such a strong position we will miss her selfless dedication, child centred focus and how she's expanded the horizons of the whole school community the Bradwell way. There will be a well wishes book left in the post office so the Bradwell community has the opportunity to leave their messages for Mrs Attwood. This will remain at the post office until Friday 24th June. Please don't hesitate to contact Mrs Critchlow or Mrs Deakin in the school office if you have any questions (620473).

SWIFT PROJECT

The Bradwell Swift Project is finally getting back on track, with previously organised events and activities now taking place after a long pause due to the pandemic. In consequence over the next few weeks all the children at Bradwell Junior School will be working with local expert Pete Brown learning about bird watching including Swifts, and then, in July, we have organised a Community Swift Walk which we hope will be well

attended given the high level of local interest in Swifts. The walk is on **Saturday 2nd July at 7.30pm** and will be led by local expert Pete Brown. Meet at Beggars Plot opposite the Fire Training Centre and do bring binoculars if you have them. We have just been advised that Swifts arrived back from Africa to our village on 10th May, so do keep a look out.

BRADDA DADS

Hillbilly Cycle Sportive, raising money for preschool is on **Sunday 19th June** - we would greatly appreciate help on the day from anyone who would like to get involved marshalling the event - no prior experience required, full training provided! Contact Dan on 07840 718084 or email braddadads.secretary@gmail.com. We'll be having an informal family get together in town bottom park and the Shoulder on **Sunday 12th June** at 4pm to decide on the Bradda Dads carnival float 2022. Everyone welcome to come along and pitch in ideas. Next meeting will be **Tuesday 14th June** 8:30pm in the Shoulder.

ANNETTE BOND

Annette passed away on 29th March, 2022 at her home, Rippon, Hollowgate, Bradwell surrounded by family. She was 71 and had been battling cancer for a short time. Annette was born at The Plague Cottage in Eyam, where she spent her childhood attending Eyam school, followed by Hope Valley College. She began her working life in administration at Eyam quarry before becoming a mother. She moved to Bradwell in the 1980s with son Richard and later daughter Anna. Many people in this village and beyond will know Annette from her job as dinner lady and cleaner at Hope Valley College. She started there in the 1990s and continued to work there even when she became ill. She was a dearly loving mother to Richard and Anna and grandmother to Willow, Blossom and Matilda. She had so many friends and greatly appreciated the strength their friendship gave her. Annette said that she would never have been able to cope with her illness in the way she did "without the love and support of all of you".

BRADWELL NEWS

Way back at the turn of the last century a group of Bradwell residents formed an "action group" to prepare a plan for development of the village into the new century. One significant outcome from the initiative was the first Village Plan, but another was the realisation that the village needed better internal communication, to let residents know what was happening and to allow village groups to publicise their activities. And so was born the village newsletter, the *Bradwell News*, which was first published in July 2002. Special mention must be made of those founder members and the inspiration for our creation: Mike and Joyce Emsen, Ian and Liz Fullilove, Martin Cliffe (the first editor) and Janet Kobayashi. There will also be others who can rightly claim a part in getting the venture off the ground, and the current team hope and wish that we have been able to develop the newsletter in the way originally intended. A great debt of gratitude is due to the team of distributors who managed to keep walking the streets right through the Covid pandemic, to Greenaway Workshop who printed every edition even though closed and also to the production team who made sure that your newsletter continued to be published during some difficult times. Here's to the next twenty years!

BRADWELL INFANT SCHOOL

The school are celebrating their 150th anniversary with an open house on **Wednesday 13th July**. The event runs from 2:30 to 4:30pm and there will be cream teas plus a display of photos showing the history of the school. Everyone welcome.

PERSONAL ANNOUNCEMENTS

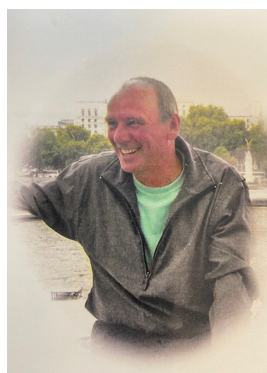

DES JOHNSON

Des Johnson was born in 1931 at Hellfire Corner, Bradwell, later moving to Gore Lane. He left school at 13, starting at 'Ike's' as an apprentice. He enjoyed playing football and was a keen Sheffield Wednesday supporter. His teenage years were spent with his mates exploring the Peak District on their 'push-bikes'. His wife had started work with Des's sisters who told her Des was 'six foot tall and blonde' - a shock when he came home on leave to discover he was dark and only 5'4" tall! When they married they moved to Hope

and Des worked in Earle's quarry for 34 years, really enjoying his work and colleagues. Their gardens in Hope were superb and they won many awards, including "North of England Dahlia Champion", and their homes became renowned for colourful displays with superb lawns. Des loved sunshine, especially sitting in the garden listening to cricket on the radio or travelling abroad on many sunny holidays. A proud 'Bradda Lad' he moved back to the village for the last few weeks of his life and he passed away peacefully, surrounded by his family. Des will not be leaving Bradwell again because his ashes will be scattered from Bradwell Edge so he will remain here forever in the trees, streams, and grass of the village. Ninety is a good age and he had a happy, successful life.

DEREK OLLERENSHAW (STODGE)

Stodge was born at Yorkshire Bridge on 3rd March 1947. He came to live in Bradwell 53 years ago. After leaving New Mills Grammar School he started work at Newburgh Engineering and later moved to Ferodo, but his favourite job was that of greenkeeper at Sickleshole Golf Club. Stodge loved all sports, especially golf and football. He was a life-long supporter of Derby County Football Club, "once a Ram, always a Ram". As a young man he was a

team player for Newburgh Football Club and later went on to run village football teams. He was a keen runner and ran everyday for a year. He also took part in many marathons. Stodge and Maureen enjoyed going for walks together locally and the area around The Dams was one of their favourite haunts.

Stodge died on 21st February 2022. He will be greatly missed by so many, especially wife Maureen, Craig, Amanda, Karen and Fred, Craig and Tracey, grandchildren Taylor and Casey, brother David, sisters Margaret and Linda, all his nephews and nieces and Kerrie, Steven, Ella, Harry and Jack.

THANK YOU

Thank you for all the cards, flowers and lovely messages sent on Stodge's very sudden death. We miss him --- always. Maureen and family.
