There had been no communication from the team since.

It was also agreed that the basketball hoop on Beggars Plot should be removed as it is damaged.

The widening of the gate at the main road entrance to Beggars Plot was discussed to enable larger fairground rides to attend on Carnival Day, and it was confirmed it had all been measured to ensure that it will work around the playground equipment in the park.

AC- 07/2025 Discuss the Car park plans at Breedon entrance area off Main Road and how to proceed

It has been agreed that the plans for a carpark on Gore Lane will be go ahead for 12 spaces. Cllr Salvage confirmed that there was a liaison meeting in June and he would talk to Steve Groves to sort out the planning of this. This would consist of a loose track and sleepers to divide the spaces. Cllr Harrison could obtain these from Breedon.

It was agreed that this would be for public car parking, and there would need to be signage in place stating this and that no liability could be taken from the parish council. There may need to be a planning application submitted for change of use but pre-planning advice from The Peak Park could be obtained.

Village signage was also discussed, and it was agreed that a sign on St Ives Bridge needed be installed to prevent cars parking and blocking the access to Brook Buildings.

Cllr Harrison also asked if additional “no dog” signs could be put up on Beggars Plot to remind residents that dogs are not allowed on the playing field.

Cllr Taylor also confirmed that she would investigate a welcome to Bradwell sign to be situated near Elliot Avenue, this would be acceptable providing it didn't obscure the view for traffic and was in fitting with the Peak Park colour scheme.

The clerk confirmed that there would be available funds as part of the 5-year plan.

The meeting closed at 8:01pm.
